

New Experiencing Shabbat Schedule

We are pleased to announce a spiritual experiment to foster a greater sense of community between our two congregations. To get a taste of what Shabbat experiences are for each of our congregations, we shall share our styles alternatively, unless otherwise noted.

Therefore, beginning this Friday, October 23, 2020, we invite all of our members to join with one another to celebrate Shabbat a la Or Chadash. We are sharing with you the calendar for alternating Shabbat experiences beginning this week through the end of December.

To join Shabbat Services hosted by Congregation Or Chadash, go to www.octucson.org and click on Blue Button to live stream.

To join us via Zoom for Experiencing Shabbat services hosted by Temple Emanu-El, please register by 3:00 pm on the Friday of the service at
