CLERGY MESSAGE | RABBI STRAUSS

On April 15, we celebrate 73 years of our beloved modern Jewish state on Yom Ha'atzmaut, "Israel Independence Day." I believe we feel a deep sense of gratitude for living in such a miraculous time when such a dynamic Jewish state is thriving. But how often do we demonstrate our love for Israel? Do we read Modern Israeli literature, enjoy Israeli culture, visit often, send our children, and advocate for Israel? Our community recently lost our member Roger Sofer z"l. Roger served as a member of AIPAC's National Board of Directors for nearly two decades. Roger's resolute dedication for a strong alliance between the United States and Israel made him an iconic leader in Houston and beyond. To honor him and his family, can we all do more to fill in the void that his loss has created?

Join us for Lunch with the Rabbi on Thursday, April 8th at noon with Rabbi Strauss featuring David Bush, executive director, and Jim Parsons, program director, of Preservation Houston as they provide interesting insights on Beth Yeshurun's architectural and historical attributes that led to both the Good Brick Award and the Recorded Texas Historic Landmark designation.

They will also discuss important buildings in Houston and the Greater Meyerland area, as well as Beth Yeshurun's Southmore building, which was our home from 1949 to 1962 and covered in David and Jim's 2008 book, Houston Deco, about modernist architecture in the Texas Gulf Coast area.
