CLERGY MESSAGE | RABBI STRAUSS

While so many of you worship with us virtually each Shabbat and did so over the High Holidays as well, I know it is not quite the same as being together sharing the same space. Yes, it has been too long since we have all been together. But there is good

news: One, with the blessings of technology, we are still offering all sorts of new programs, learning opportunities, and worship experiences. Until this pandemic is over, we will continue to be here for you virtually. Two, if you are comfortable attending, you can now join us on Shabbat or any weekday morning or evening. We follow all of the rules of social distancing to create a safe and comfortable environment. Either way, I hope to see you in person or online soon. In the meantime, may God bless all of us with good health as we get thru this pandemic together.

Mazel Tov to our B'nai Mitzvah!
