Dear Congregation Anshe Chesed Friends,

To say this is an unusual year at Anshe Chesed is probably a monumental understatement! Nevertheless, we've done our best to maintain as close to a functioning shul as possible. Daily and Shabbos services have re-started (with some limitations) and all of our shiurim and lectures are taught over zoom and facebook. We continue to maintain, improve, and enhance the building with a focus on cleaning and sanitizing. We look forward and plan for future upcoming events.

With the Yomim Tovim approaching we're hoping to see as many of our members as possible, and we've arranged for indoor and outdoor services over the High Holidays to accommodate the various needs and safety standards for our members.

Just as many of our lives and livelihoods have been changed over the last six months, the same can be said about the finances of Anshe Chesed, and understandably so. We've done as much as possible to lower expenses where possible, but our facility, expenses, & payroll can be reduced only so much. We have a responsibility to keep Anshe Chesed viable and functioning as well as we can and we need your support.

Therefore, we ask you to kindly contribute to our annual Kol Nidrei appeal. If finances are tighter this year, consider a smaller contribution at whatever level. For those who have more financial flexibility, please consider pledging to the shul a higher amount than in previous years.

On behalf of the officers and members of the board, I thank you in advance for your generosity and thoughtfulness.

Hoping that all your prayers for the New Year are answered affirmatively & speedily.

Look forward to seeing you in shul!
