SISTERHOOD SIMCHAS

Sisterhood has been busy in the kitchen. Sisterhood Simchas is our cooperative program that prepares Kiddush meals for our Bar/Bat mitzvah families. Sisterhood members and their families volunteer for a variety of tasks including shopping, cooking and supervising serving staff. This program is now Sisterhood's primary fundraiser. Come join us in the kitchen! Spend time with Sisterhood members and their families, have fun and help make our simchas special.

KITCHEN UPGRADE!

Sisterhood has donated \$3,000 to purchase a new refrigerator for our busy kitchen. With more than 10 Sisterhood Simchas kiddushes this year, plus other fabulous shul events, our kitchen has been getting a workout. The new refrigerator will be a welcome upgrade for everyone.
