## Welcome to The 3+4's Program

*"Tell me and I forget. Teach me and I remember. Involve me and I learn."*  
~ Benjamin Franklin

Our ECC is the only school in the area which offers a 3+4's Program designed specifically for young four's who have completed a Preschool 3's Program. This program offers your child *The True Gift of Time* in a unique, challenging, and developmentally appropriate, multi-sensory learning community. As in all of our Programs, a differentiated curriculum is implemented with an emphasis on cognitive, social and emotional development.

The balance of the class make-up is comprised of children who meet the following criteria:

- Turn 4 years of age by October 31<sup>st</sup>.
- Completed a Two Year Old program
- Teacher recommendation

At the end of the school year, children who turn 5 years old by the October 1<sup>st</sup> cut-off date, can either move onto the Pre-K 4's or move into our fully accredited Kindergarten Program. This decision is based on the Head Teacher's recommendation and an assessment given by our Kindergarten Teacher. For the young 4 year old student, The 3+4's is truly a gift which continues to give throughout your child's formal school years.
