

Parent Volunteer Interest Form 2019-2020

Dear Parents,

Congregation B'nai Jeshurun's Early Childhood Center would like to invite you to become an active member of our school community. Parental involvement in a child's education, even in the earliest years, fosters a family commitment to learning. We encourage you to review the list of committees below. If you are interested in serving on any of them, please check the appropriate column and return this form to the ECC Office. Also, if you are interested in chairing one of these committees, please check the appropriate column below. As a chair, you will be responsible for contacting committee members and coordinating the event or program in conjunction with the members of the committee.

We thank you for your time and support. With the assistance of our parents, we can continue to offer the valuable programs that enhance our children's early childhood experience. We encourage everyone to get involved in our TBJ Parents Association! All ECC Parents are members of our vibrant PA! Our primary mission is to enhance the experiential education of our children by planning, assisting and creating programs. We are looking forward to hearing and sharing new and innovative ideas that will facilitate great things for all of our children in the ECC. If you have any questions, please feel free to contact me **at 973 379-3177 or mfeingold@tbj.org**. **Please complete and submit this form by Friday, August 30, 2019.**

With Warmest Regards,

Michele
