

Summer 2021

Dear Parents,

The summer sun.....is lots of fun.....but not upon your child’s delicate skin. We make every effort to keep our campers in shaded outdoor areas. However, this still does not protect children from the direct rays of the sun. We strongly recommend that you apply sun block to your child each morning prior to your child coming to camp. This will help ensure a healthier and more enjoyable outdoor experience. Please avoid products containing coconut oil.

**If you would like our staff to re-apply sun block during the day, please send a bottle of sunblock/sunscreen labeled with your child's name.** We will keep your sunscreen in your child’s classroom for the summer. Please sign the permission slip below and return with your camper's sunscreen.

Thank you.
