In the rising of the sun and in its going down,
We remember them
In the blowing of the wind and in the chill of winter,
We remember them
In the opening buds and in the rebirth of spring,
We remember them
In the blueness of the sky and in the warmth of summer,
We remember them
In the rustling of leaves and in the beauty of autumn,
We remember them
In the beginning of the year and when it ends,
We remember them
When we are weary and in need of strength,
We remember them
When we are lost and sick and hurt,
We remember them
When we have joys we yearn to share,
We remember them,
So long as we live, they too shall live, for they are now a part of us,
We remember them

El Mole Rachamim Kaddish

God remember forever our dear ones who have gone to their eternal rest. May they be at peace with the One who is life eternal. May the beauty of their lives shine for evermore, and may our lives always bring honor to their memory.

O God full of compassion, Eternal Spirit of the universe, grant perfect rest under the wings of Your presence to our Loved ones who have entered eternity. God of Mercy, let them find refuge forever in the shadow of Your wings. May their souls be bound up in the bond of eternal life. The Eternal God is their inheritance. May they rest in peace, and let us say: Amen.
