Welcome to our Playschool Two's Program!

"Play is often talked about as if it were a relief from serious learning. But for children play is serious learning. Play is really the work of childhood."

~Fred Rogers

We are proud to offer programming in our warm and nurturing environment for children who turn two years old by October 1st. Options include M/W/F or our 5-Day Playschool Program. In addition, we offer a "Playschool Plus" extended day option and a variety of "ASA", After School Activity options for our youngest preschoolers.

Our outstanding program is focused on providing a positive initial learning experience for each child in preparation for early success and school readiness. Classroom activities follow our teacher developed curriculum, with an emphasis on social interaction and self regulation, as well as; colors, shapes, seasons, holidays, numbers, letters, and both expressive and receptive language skills. Through play, games, art, songs, rhymes and finger plays, children's literature, sports, Hebrew and Spanish, and music and movement, our two year old children explore and discover their natural curiosity and confidence. With a strong focus on social and emotional development, our Playschool Two's program is an introduction to the learning process and an excellent way for children to begin a life-long love of learning.

Our Two Year Olds enjoy a wonderful introduction to their Jewish heritage through the celebration of Shabbat and Jewish Holidays, Mitzvot and Tikkun Olam (repairing the world), and Hebrew music.
