TEMPLE EMANU-EL | SARASOTA, FLORIDA | FOUNDED 1956

Rabbi's Message: Welcome Home

So many of us have found a real home here in Sarasota. When I see the bonds that people form here, it surprises me still how strong they can be. Few of us have longstanding roots or family here. Yet, we find deep connections with our friends and our community. It is amazing how intensely Sarasota has become our home.

This is affirmed when we go away during the summer. For decades, Elaine and I have had a little test of our own state of well-being. When we are flying home from a trip, we pay attention to how we feel as the plane approaches the airport. Do we feel a sense of dread or melancholy? Then we are in the wrong place. Do we feel excited or relieved as we approach our home airport? Then we are in the right place. Sometimes you must leave to know where home is.

With the return of services and dinners at the temple, we have seen the same kind of emotions. This has been a season of happy reunions! Almost every week we welcome some member who has not been to temple in person in two years. They are elated.

Now comes the season where our members travel the most. This is a great time to visit the kids or get back to your favorite summer get-

Rabbi Brenner Glickman

away. Our members do this every year. But now, many of them are staying connected via Livestream. Why not? You can be anywhere in the world, and still join us for services on every Friday night. I hope you do.

The temple will be active throughout the summer, and we look forward to the resumption of our summer dinners. Most of our members live here year-round and we relish this quiet season and the camaraderie of our temple family.

May God bless you in all your travels with joy and revitalization. And may God bring you back safely to your home in Sarasota and Temple Emanu-El.

President's Message: Thank You

As my term as your president comes to an end effective June 30th, I want to thank all who have worked so hard to assist me in my role.

First, our Executive Director Christine Elliott, who has been indispensable as she has supervised staff, introduced new members to our temple, used her knowledge of the membership to identify new volunteers, participated or chaired numerous task forces and worked with me each week to respond to issues that arose. Christine is a blessing to the temple and assisted me immensely making me a more effective leader.

I would like to recognize the special contributions that members of the Board of Trustees made during this unprecedented two-year period. Our Governance Committee led by VP Bob Meisel worked tirelessly to update the temple's policy manual and bylaws which was approved at the recent annual meeting. Every board member provided excellent oversight to their committee assignments and contributed to board decisions monthly. Thanks go to all our committee chairs and their volunteer members who help make our temple a place for worship, learning and social engagement.

This temple would not be the same if it were not for our rabbis, Rabbi Shefrin and both Rabbis Glickman. Whether it was a meeting during a walk at the Celery Fields or a casual coffee break at Starbucks, the rabbis were always there for me like a guiding light which helped shape my presidency. For that, I will always be grateful.

Lastly, I must recognize the contributions of my wife, Barbara. From day one, she supported me, and helped critique and edit my installation and Yom Kippur appeal speeches. She never complained

Barry Gerber

about the numerous Zoom meetings and phone calls that became a way of life at the Gerber residence.

A few temple leaders, Immediate Past President Ken Marsh, Treasurer Neal Vorchheimer, and Recording Secretary Ethel Gross are rotating off the board due to term limits or otherwise. All served well during my two-year term, and I greatly appreciate their dedication and skills they brought to the board. It is an honor to now "pass the baton" to Bob Meisel who was recently voted by the temple membership to be our next president. Bob over the last two years served as vice president on the board and was Chair of the Religious School Director Search Committee and he helped me in so many ways. Prior to the board, Bob served two years as President of Brotherhood. His skills as a leader will enable him to be an effective president.

At the recent annual congregational meeting, the new officers and trustees for 2022/2023 were voted in. They are as follows:

- President - Bob Meisel
- Vice President - Denise Cotler
- Treasurer - Harry Yaverbaum
- Recording Secretary - Dr. Gary Janko
- Financial Secretary - Rose Chapman
- Immediate Past President - Barry Gerber

- Trustee - Phyllis Dreyfuss
- Trustee - Joanne Haiby
- Trustee - Howard Kilman
- Trustee - Ellen Klein
- Trustee - Heather Labinger
- Trustee - Burgess Levin
- Trustee - Dennis Reens
- Trustee - Susan Rosenbaum

Three new faces to the board for the next two years are Susan Rosenbaum, Harry Yaverbaum and Dr. Gary Janko. Below are their brief bios. Please join me in welcoming them to the board.

Susan Rosenbaum

Trustee - Susan Rosenbaum

Many of you may already know Susan from her role as Chair of the Social Action Committee. She and her husband Gary moved to Venice in 2010 from Maryland. Prior to TEE, she was a member of JCV in Venice where she was President of Sisterhood and was on the Rabbi Search Committee. With degrees in Gerontology and Human Services, Susan worked for 35 years in Maryland as the Director of Citizen Services and managed over 135 employees. Susan brings both managerial experience and critical thinking to this role as trustee.

Harry Yaverbaum

Trustee - Harry Yaverbaum

Harry and his wife Gayle moved permanently to Sarasota in 2012. Harry spent most of his career in public accounting in his own practice, specializing in taxes. Prior to locating in the Sarasota area, he was treasurer and served on the Board of the Jewish Home of Greater Harrisburg for many years. He previously served as a trustee on TEE's board which will assist him in his new role. Harry is a retired golf and tennis player and enjoys playing bridge. He is also an avid sports fan, especially Penn State football.

Recording Secretary - Dr. Gary Janko

Gary and his wife Andrea Zucker moved to Sarasota in 1995. They have been members of TEE for 16 years. He became a board trustee over ten years ago and then served as Board Secretary for two 2-year terms beginning in 2014. Professionally, Gary served for over 25 years as Lieutenant Commander in the Commissioned Officer Corps of the United States Public Health Service in the Vascular Surgeon Department of Veteran Affairs. Gary's prior role as secretary will give a jump start come July.

Welcome aboard to our new board members.

To all, have a safe and enjoyable summer.

Executive Director's Message: New Staff - Kim Cupani and Shawn Carroll

Please give a warm, TEE welcome to Administrative Assistant Kim Cupani and Facilities Coordinator Shawn Carroll! During our search for new employees, we received several resumes and held multiple interviews for both positions before Kim and Shawn were carefully selected. We are blessed to have both talented, friendly professionals join our team. Read below to learn more about our wonderful new staff.

Kim started with the temple on March 23. Kim is originally from Long Island and has been living in Sarasota for about two years. Personally, Kim has three young adult children, a fur baby named Harley, and lives with her fiancé, Frank. Kim describes herself as an avid animal lover who likes to spend time with her family. Professionally, Kim has worked in the office administration field for over 20 years. One of Kim's professional references described Kim as "all aces", and we certainly agree. Kim started on her first day with a smile and positive attitude, wanting to learn and help in every way she could: this is Kim's approach each and every day. Kim is a fantastic addition to our temple family!

Shawn joined our temple family on April 4 and jumped right in organizing and taking care of projects for the cam-

Christine Elliott

pus. Shawn has already experienced an emergency plumbing situation and handled it with extreme efficiency and professionalism. Professionally, Shawn has a diverse background working in the film industry as an art director and production designer and has experience working as a project and property manager. Shawn is married and has two young adult children. He is originally from New York and has lived in Sarasota full time for about two years. Shawn enjoys outdoor activities such as playing tennis, bike riding, and hiking. We are thrilled to have Shawn aboard!

Warm wishes,

Christine Elliott

My favorite event is making a return: the Annual Brotherhood and Sisterhood Picnic.

We will gather at the Turtle Beach Picnic Pavilion on June 11 at 5:30 pm for food, fun, and Havdalah. Brotherhood and Sisterhood members, their spouses and minor children are free. Temple members are encouraged to join us as well for small fee. See flyer to register. We look forward to seeing you at the beach.

The Brotherhood Board installed its new leadership team to be headed by Ken Taksen on May 27. We gather every year in May to have a general meeting of the Brotherhood when new leadership is installed and given a blessing by the rabbi. The Brotherhood Board is always looking for members to come join us for an active role in planning and conducting events.

Please come join us for a Board meeting. We generally meet the first Sunday of the month except for summer. Send me an email to let me know you are interested in

coming: leaveit2leavitt@gmail.com.

Summer need not be boring and hot. The interest groups carry on so let us know if you want to join along. The Investment Group, Bicycle Group, and Book Club all have activities. Please be sure to check the temple calendar and email so you can join us. Check your email also as we are planning an activity or two over the summer months.

Have a great summer!

Flexibility was the key to a successful year for TEE Sisterhood, as mentioned in our report delivered at the TEE annual meeting. Flexibility was the key for programming both in person and on Zoom. Of the many happenings that filled us with tremendous pride was our Sisterhood's crowning achievement of presenting \$25,000 to support the Religious School. This was in no small part due to our Gift Shop which had to be flexible enough to overcome limited hours and fewer shoppers. Wow! Besides this check, Sisterhood is giving an additional \$5000 to fund the construction of a GaGa pit, a type of dodgeball that originated in Israel. The GaGa pit will be part of the Religious School for many years to come.

Our annual fundraiser on May 18, headlined by Rabbi Brenner Glickman, was a tremendous success due to his wonderful comedy show with special musical guest, Dan Carltidge.

Our virtual Zoom Sisterhood Book Club continues to attract both members and author participation. Last month, Alina Adams, author of *The Nesting Dolls*, shared insights about her birth and family roots in Odessa, Ukraine, that shaped her novel. David Hirshberg, author of the award-winning novel *My Mother's Son*, will join us to present a book talk on Tuesday, June 7 at 1:30 pm via Zoom. The summer book selections and meeting dates are *Big Summer* by Jennifer Weiner (7/5), *Nobody Will Tell You This but Me* by Bess Kalb (8/2) and *Woman on Fire* by Lisa Barr (9/6).

Three summer events are planned that are jointly sponsored with Brotherhood: the long-awaited Sisterhood/Brotherhood Picnic at Turtle Beach on June 11 at 5:30 pm. Bingo in the Benderson Social Hall will be at 7:00 pm on July 23. Trivia in Benderson at 6:00 pm on August 20 will also have pizza. Food for the brain can't hurt!

The last event to be featured in this article is the New Member Tea on September 18. Watch for more information coming soon.

No matter where you will be, we wish you a terrific summer. Stay cool! And don't forget to patronize our Gift Shop. Remember that in addition to being a source of beautiful Judaica, the Gift Shop proceeds go to benefit the Religious School.

Your Gift Can Last Forever

Is it crucial to have a vibrant, inclusive Jewish community in Sarasota? Is it important for current and future generations to develop a strong Jewish Identity? What would you like your Legacy to be?

These worthwhile objectives are consistent with the mission and values of Temple Emanu-El. Guiding questions may help you clarify your philanthropic purpose.

Would you like your gift to last forever?

An Endowment Gift to Temple Emanu-El today provides a brighter picture for our future. When you donate to our endowment, you give a gift with both immediate and long-term benefits. Endowment donations are invested. A portion of the annual income from the investment is available if the Temple has a specific need. The remaining funds are reinvested to ensure indefinite support. There are a variety of potential methods to support the Temple Emanu-El Endowment Fund.

What donations can be accepted?

Virtually any asset can be used including cash, stocks, and bonds.

Are there any special programs worth pursuing?

There is one special opportunity for those Age 70 ½ and older. You can give any amount (up to a maximum of \$100,000) per year directly from your IRA to a qualified charity such as Temple Emanu-El Endowment Fund without having to pay income taxes on the money. This popular gift option is called a Qualified Charitable Distribution or QCD for short.

How do I contribute via the Life & Legacy Program?

There are two primary methods to contribute to the TEE Endowment and be part of the Life & Legacy Society. First, no matter your age, you can designate TEE Endowment as the beneficiary of a percentage, or all your IRA and it will pass tax-free after your lifetime. It's simple. You need to contact your IRA Administrator for the appropriate form. It's essential to let us know of your gift because many popular retirement plan administrators assume no obligation to notify the charity of your designation. Second, if you have a current will, the addition of a few additional sentences with specific instructions is enough to create a Life & Legacy gift. Ideally, this would be prepared by the same legal representation who drafted

your will.

It is incumbent for all of us at TEE to protect and continue to support the congregation that has supported our Jewish community for the last 65 years. Please consider a donation or Legacy gift to the Temple Emanu-El Endowment Fund so that we may prepare for the next 65 years.

When you make a Legacy gift to the TEE Endowment you are saying *"HINENI! HERE I AM!"*

Please contact me for more information at 941-260-9930.

Dream List 2022

Every year our board and rabbis come together to imagine what could be possible if we only had the finances. The result is the annual Dream List of potential projects in need of a benefactor. We are grateful that 14 of such dreams have been funded by generous angels in the past six years.

If you would like to make a special gift to the temple, here is an idea of what we need most right now.

Beautiful Outdoor Worship and Meeting Space: The pandemic has shown us the need for outdoor meetings and prayer services. We dream of enhancing the temple green with landscaping and pavers and comfortable seating under the canopy of trees or a shade structure.

Young Family Membership: Families with toddlers rarely join temples. Our new “Tot Shabbat Membership” encourages families with toddlers under 5 to join our temple for a rate of only \$108. We now have 20 families who are part of temple because of this new initiative. We seek a sponsor to underwrite this program to keep it going for \$25,000 each year.

Marketing and Website: We wish to create a part-time position to improve temple marketing and update our website and social media at a cost of \$18,000 per year.

Enhanced Security: In the wake of the Pittsburgh tragedy, we seek to add security guards at more temple gatherings, including religious school. This would cost several thousands of dollars per year.

Culture, Arts, and Music Program: Great performers come to Florida each winter to make swings along the

state. Congregations and Federations from Naples to Miami to West Palm are able to book dates and delight their membership. We seek a lover of the arts to generously sponsor a cultural program at our temple for \$35,000 each year to fund 2-3 events. It would be sensational!

Program and Development Hire:

Create a new position at temple that would serve both as part-time program director and part-time development director. We estimate that it may cost \$30,000 per year for one person to fill both positions.

New Memorial Board in the Sanctuary:

We need a new brass display for yahrzeit plaques on the back wall of the sanctuary. By sponsoring a Memorial Board for \$25,000, you can inscribe the large dedication plate at the bottom center of the board with the names of loved ones whom you wish to honor.

If you would like to sponsor one of these dreams or make a special dedication in honor of a loved one, please call Rabbi Glickman.

SSELC Summer Bulletin

Our re-opening year is ending and we couldn't be prouder! The daily smiles and kind words from families have been such a joy. Our final month of the school year is here, and it is busy!

Our two-year-old class has been infatuated with the book *The Very Hungry Caterpillar* by Eric Carle. Miss Millie and Ms. Bente decided to use that curiosity to do a study on the life cycle of a caterpillar. The students created a caterpillar out of clothespins and pom-poms. They put them in a brown paper bag to represent the chrysalis and hung them from a paper tree outside their classroom. We are currently waiting for the beautiful butterflies to emerge! The students are so engaged and cannot wait to see the butterflies.

Our 3-year-old and VPK classroom are wrapping up the year with the life cycle of plants and finishing their final few letters of the alphabet. They are also practicing for their moving up ceremony and graduation that will be held on last day of school. Our VPK students are so ready for kindergarten, and we wish them a wonderful elementary school experience. Picture day is coming and our VPK students will get to take their official Cap & Gown pictures to remember this special time.

Summer Camp this year is filled with weekly themes, including dinosaurs, castles, and mini chefs. Our summer classes are full, and we cannot wait for 6 weeks of fun!

The 2022-2023 school year begins on August 10th. If you are interested in learning more about our school, please call (941) 377-8074 or e-mail preschool @sarasotateemple.org.

Opher Library: News

"Summertime and the Living is Easy"

Summer is the season when many of us will be journeying to our homes up north or traveling to visit with family and friends. Those of us who stay in Sarasota will enjoy less traffic, more parking spaces, quieter beaches, and the ease of making dinner reservations.

It is also the season of summer reading. In the mid 1800's this reading category emerged along with the rise of the middle class. Americans began to take summer vacations and literacy rates among American women improved. It was the season of escape. Fiction was no longer seen as an inferior literary subgenre. The summer "beach read" made its debut. Predictably, the novel would take place over the course of a summer, at a grand hotel by the seashore. It would be devoted to the trials of lovers and always ended in a marriage.

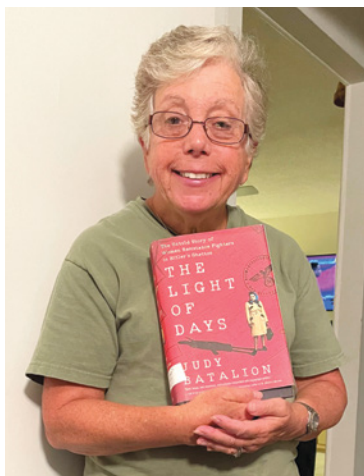

Today, summer reads are dedicated to the time of year when our mood changes to relaxation. Readers put daily commitments aside and devote themselves to reading what they want to read and for no other reason except that they want to read it. Our library's fiction section reflects this seasonal attitude with the addition of some great new reads.

House of Gold by Natasha Solomons is the saga of a wealthy and powerful Jewish family of European bankers prior and during WWI.

The Slaughterman's Daughter by Yaniv Iczkovits is a fun, madcap adventure of two sisters in search of one missing husband in Czarist Russia.

Thanks to a generous donation by Karen and Gary Androphy, TEE's Sisterhood Book Club's four summer selections are also available in our library. June's choice, *My Mother's Son* by David Hirshberg, is a nostalgic and vivid portrait of Jewish American life in post WWII Boston. Other summer selections include *Big Summer* by Jennifer Weiner, *Nobody Will Tell You This But Me* by Bess Kalb, and *Woman on Fire* by Lisa Barr.

We hope no matter what your plans are for this summer, you will find the time to stop by the Opher Library to see all the wonderful ways we have to enhance your summer reading enjoyment. The library is now open on Monday afternoons from 12:00 – 3:00 and on Friday

DISCUSSION
June 12th (4pm)

Found — Assumptions of biological familial connections are widespread. Paperwork at the doctor's office asks about family medical history. Well-wishers tend to comment on whether a child looks more like one parent or the other. And any difference ethnically or racially between generations of a family can lead to questions about where someone is from, really, or where someone is from, originally. Films about adoption often address some or all of these issues, and Amanda Lipitz's documentary "Found" inserts itself into that landscape in a number of predictable and unpredictable ways.

Stories from the Museum of the Southern Jewish Experience

Explore the stories held in the galleries of the newly opened Museum of the Southern Jewish Experience (MSJE). Spanning thirteen states and three hundred years, the MSJE's core exhibition explores the diverse relationships, experiences, and environments encountered by Jewish communities in the American South. We'll discuss artifacts and stories from early Jewish immigrants as they navigated southern spaces to find and build communities. Learn how southern Jews maintained their identity and became part of the fabric of southern society. The MSJE team will virtually walk us through the galleries and have a conversation about this unique yet universal story.

Membership Committee: Traditions

Maury, Sonia, and baby Gabriel with Janice and Tom Burne enjoyed the Meet and Greet too.

In 2015 and 2016, the Membership Committee started three annual traditions: New Member/25+ Shabbat, Temple Emanu-Elders Shabbat, and Spring New Member Meet and Greet. Despite Covid, and although not all in person, all three have still taken place each year. The 2022 Spring New Member Meet and Greet took place on April 13 with new members Francine Shogel and Steven Crapser, Janice and Tom Burne, Janet and Ansel Schwartz, Marjorie and Bruce Goldstein, Linda and Michael April, Mike Shacket, Nancy Mizrahi, Sonia and Maury Azerad with baby Gabriel. Gabriel stole the show! Susan and Bob Meisel coordinated food and agenda, and Rabbi Brenner Glickman and Rabbi Michael Shefrin did their magic connecting all of the new members with their warm presence. As Temple Emanu-El continues to grow, the Membership Committee continues these and many other traditions. Please read Temple Emanu-El weekly eblasts for details about three summer traditions that the Membership Committee is planning in 2022: Open House, Shabbat Potluck Dinner, and Temple Emanu-Elders Shabbat.

One tradition, however, is coming to an end: the use of preprinted name tags for Shabbat services that began in 2010. While name tags are still used at services, people are now writing in their own names. The preprinted name tags that were made in 2020 will soon be discarded. If you would like your name tag that was printed in 2020, please call Kim Sheintal at 941-921-1433.

Please Plan Now to Join the 2022-23 TEE Starfish Initiative

It's already that time--this school year is ending and *TEE Starfish* planning for the next year is underway. You have many options for volunteering through *Starfish*: read aloud on campus weekly with a student 1:1 as a trained *Rockin' Reader*, gift four books throughout the year to a student based on their themed drawings as a Book Buddy, join the *Starfish Food Pantry* volunteers teaming with All Faiths Food Bank, help tend the *Starfish Sensory Garden*, provide funding to advance *Starfish* programs, and/or lead a project based on your own talent or skill. Please email Tanice now at teestarfishinitiative@gmail.com to let her know which program(s) you will volunteer for and when you can start.

Right now, we are seeking a team to prepare individual student art kits for the *Starfish Literacy-Linked Art Experiences* program. Gather several of your friends around a table (once a month, during the summer, or set your own schedule) to enjoy camaraderie while cutting materials and assembling kits. The projects are already designed, and materials provided; the team would only prepare the kits linked to the seven *TEE Starfish Dramatic Storytelling* books. No artistic skills are required. Please contact Tanice for more information.

Also, I am pleased to announce our 2022-23 TEE Starfish Initiative Steering Committee:

- Dr. Tanice Y Knopp - Chair and Rockin' Reader Coordinator
- Lynn Friedman - Treasurer
- Helene Davis - Corresponding Secretary
- Kathy Docks and Meryl Taback, Co-Coordinators – Book Buddy
- Dr. Jill Halman, Coordinator – Sensory Garden
- Harriette Krasnoff, Coordinator – Thespian Troupe
- Susan Meisel, Coordinator – Food Pantry

Social Action Committee: News

The Social Action Committee is hoping that we will be able to resume a full year of tzedakah next year with more hands on, in person volunteer opportunities for congregants. In the meanwhile, during the summer drop off your food, gently worn or new clothing, AAA batteries and toiletries for distribution to Resurrection House, Second Chance Last Opportunity and JFCS. The summer is also a good time to start collecting food for our High Holiday Food Drive which benefits All Faiths Food Bank.

Kudos to Bernie Hoyt and the Afghan Resettlement Task Force which worked hard during the past year to assist Afghan refugees who were in our area. Unfortunately, the high cost of housing made it too difficult to find affordable housing, so they were relocated to other areas. Social Action will look to other opportunities to help those in need, including any Ukrainian refugees who may be in our area.

If you wish to join the Social Action Committee or want more information, contact me at srosenbaum28@gmail.com or at 410-707-5076.

Susan Rosenbaum
Chair, Social Action Committee

- Rita Mazer, Coordinator – Dramatic Storytelling
- Open – Literacy-linked Art Experiences

I thank Julie Kupersmith for her leadership this past year, welcome Kathy and Meryl to the 2022-23 initiative, and sincerely thank the continuing steering members for their unwavering dedication and leadership.

And, finally, on behalf of the entire staff and student body of Wilkinson Elementary School, *thank you* Temple Emanu-El family and friends for all that you have done over the past five years to advance the education of these students. Your support for *Starfish* exceeded our wildest dreams when the Barnets, Ken, and I designed and launched it five years ago. However, we shouldn't be surprised because one thing everyone knows is that our TEE congregants are most generous and caring. Let us know how you can help make our sixth year the best yet!

Next Art Excursion Planned for July

The Art Excursions group is planning a visit to the Sarasota Art Museum, 1001 S. This is the third outing for the new Art Excursions group, open to Temple members on a first-come, first-served basis. Space is limited. For reservations or inquiries about this event or future plans, contact Lynn Sacks, lynndsacks@yahoo.com.

STEEMY: News

STEEMY wishes all of our teens a wonderful summer! Mazel tov to the graduating seniors! We are so excited for everyone who is going away to camp, working a summer job, starting at a new school, experiencing an internship, traveling, relaxing, or whatever else your plans may include. This school year was full of fun events and new friends. I'd like to share some of my highlights as advisor to our temple's Youth Group, STEEMY.

We hosted a 4/5 grade event and a 6/7 grade event - introducing STEEMY to younger members. This is key for creating lasting relationships with Religious School friends. Some of my closest friends to this day are the ones that I shared a Jewish connection with growing up. My goal is to continue to create opportunities for our Jewish teens to spend time together and maintain and strengthen the friendships they have formed at TEERS.

Another highlight for me was volunteering! TEE had multiple events where STEEMY teens were an integral part in helping behind the scenes. Starting with Welcome Back Shabbat and the High Holiday Food Drive, all the way through the Purim Carnival and Mitzvah Day! Our teens are constantly busy with school, extracurriculars, jobs, social lives, family time and more, so seeing them take time to be involved in our temple community speaks volumes about their values and character.

STEEMY is looking forward to the upcoming school year and hopes to engage with even more 8th-12th graders. If you don't receive Youth Group emails from me and you would like to be on our email list, please reach out - steemyadvisor@gmail.com. Look out for a Save the Date email for our Kickoff Event in the fall!

Commemorate Tisha b'Av at Temple Emanu-El

The significance of the Holy Temple in Jerusalem, twice built and twice destroyed, is beyond measure for the Jewish people. It is this Temple which we have recalled for thousands of years on the sacred day of Tisha b'Av.

Tisha b'Av –the ninth day of the Hebrew month of Av – is the saddest and most mournful day on the Jewish calendar. It marks the traditional date on which both Temples fell (in 586 BCE to the Babylonians, and in 70 CE to Rome), and is also identified with too many other tragic days for our people. Traditionally, Tisha b'Av is observed with the rituals associated with mourning a death, fasting – and the reading of Eicha, the biblical Book of Lamentations, at nightfall. In Jerusalem today, Jews throng the plaza of the Western Wall to participate in this ceremony and to raise their voices in grief as they recall the ancient Temple.

This year, Tisha b'Av begins on Saturday, August 6, at sundown. Rabbi Michael Shefrin and Rabbi Mimi Weisel will conduct a Tisha b'Av observance at Temple Emanu-El. The evening will begin at 8 p.m. and will include traditional readings from the Book of Lamentations – one of the most poignant, tragic, beautiful, and affecting works not only of the Bible but of world literature. That night, we will join the millions of Jews and the hundreds of generations – from before the Common Era until today – who have marked Tisha b'Av by recalling the destruction of the Temple, the fall of Jerusalem, and the suffering of

our people throughout the ages. The holiday of Tisha b'Av, while sad, is also deeply meaningful, and will infuse you with a sense of what it means to be part of the ancient yet timeless and holy community of Israel.

The Temple Emanu-El family is warmly invited to be a part of this observance, and to mark Tisha b'Av in our sacred space.

First Family Seder at TEE a Great Success!

More than seventy grandparents, parents, teens, and children of all ages gathered on Saturday evening, April 16, for Temple Emanu-El's inaugural Family Seder. Titled "A Journey out of Egypt," this special Passover celebration included a traditional Passover meal, songs, a ten-plague scavenger hunt, crafts, and prizes. It also included elaborate costumes for Seder leaders, and an experiential retelling – and reliving – of the Exodus story.

"The absolute joy felt throughout the room was palpable," reported Associate Rabbi Michael Shefrin. "Many new memories were made to add to the Passover story. The food, the crafts projects, the singing all made it a holiday to remember."

"It gave people of all ages the opportunity to celebrate Passover with community and experience the richness and joy of our heritage," added Director of Education Morah Sabrina Silverberg, MARE.

The highlight of the evening was an opportunity for children to take on the roles of Moses, Miriam, and the Israelites, demanding that Pharaoh release his slaves. "The kids were chasing Pharaoh and shouting 'Let my people go,' and Pharaoh was replying, 'No! No! No!'" Morah Sabrina recalled. What might have seemed a light, fun moment was also a fulfillment of the goal of the Seder: for each person to experience the evening as if they themselves had gone forth out of Egypt.

Abundant thanks were offered to Senior Rabbi Brenner Glickman, Rabbi Shefrin, and Morah Sabrina for leading the Seder, as well as Michael Lauber, Lynne Pewterbaugh, Fatima Soriano, and Kim Sheintal. For more information about family holiday celebrations at Temple Emanu-El, please call 371-3788 or visit sarasotateemple.org.

Temple Emanu-El invites you to observe

TISHA B'AV

Saturday, August 6 at 8 pm

Candlelit Reading of

Eicha, The Book of Lamentations

The observance will be led by

Rabbi Michael Shefrin & Rabbi Mimi Weisel

The Talmud teaches, "Whoever has not seen Jerusalem in its splendor has never seen a city of beauty." Those privileged to visit Jerusalem know the truth of this teaching. But the Jerusalem to which our sages referred was actually ancient Jerusalem - the Jerusalem of the Holy Temple, twice built and twice destroyed. It is this Temple - and this Jerusalem - which our people have recalled for thousands of years on the sacred day of *Tisha b'Av*.

Tisha b'Av is the traditional date on which both Temples and the holy city of Jerusalem fell in blood and fire. On this night, we will join the millions of Jews and the hundreds of generations who have marked *Tisha b'Av* by recalling these tragedies, and the suffering of our people throughout the ages. Observing *Tisha b'Av* is deeply meaningful, and will infuse you with a renewed sense of what it means to be part of the ancient yet timeless community of Israel.

Trailblazing to the Pulpit

The History of Women Rabbis in America

Presented by Sabrina Silverberg, MARE

2022 marks the 50th anniversary of the ordination of Sally J. Priesand, the first woman publicly ordained as a rabbi. She opened the door for subsequent generations of women who were inspired by her to pursue careers in the rabbinate. Just like these women, Sally Priesand was preceded by the impactful lives of other, lesser-known female scholars and community leaders. In this course, we will spotlight a few of the significant women from the 1500's to the early modern period who held non-ordained rabbinic status in their communities. We will also explore the challenges faced by the first generation of women in the rabbinate, and reflect on how women's leadership has changed the rabbinate and the Jewish community as a whole.
