Dear Mogen David Family:

As protests turned violent, leading to riots and looting in the epicenter of Orthodox Jewish life in LA, Baruch Hashem, Kehilat Mogen David is safe and secured.

Safety and security of our members, their families and the community is our top priority. Riots have continued to break out in multiple cities, and the eruption of ethnic and racial tensions could also energize anti-Semitic groups. We are in touch with the local state and federal law enforcement officials to protect our members and the community. We have Security guarding the Shul to keep an eye out for threats and have removed all the Sifrei Torah from the Shul to a safe place.

During these challenging times, we need to unite, remain vigilant and report any suspicious activity to local law enforcement officials.

Be'ezrat Hashem and with our prayers, we should only experience Semachot in our Kehila and around the world.

Rabbi Yehuda Moses, Rav HaKehillah/Senior Rabbi
Rabbi Michael Abraham, Executive Director/Associate Rabbi
