Evening at Park Playhouse on Saturday, July 20 to see...

Join the CBE Brotherhood and Park Playhouse in July as we attend

in the Heights, the Tony Award-winner for Best Musical, which has sung and danced its way to the stars!

A uniquely American story about what it means to be home... In the Heights, the first hit Broadway musical by Hamilton creator Lin-Manuel Miranda, tells the story of a vibrant community in New York's Washington Heights neighborhood, a place where the breeze carries the rhythm of three generations of music. It's a community on the brink of change, full of hopes, dreams and the struggle to decide which traditions to honor and which ones to leave behind. This Tony Award-winner for Best Musical kicks off our summer season in Washington Park.
