

Please follow the **Temple School Physical Distancing Guidelines**

(Based on California Places of Worship Guidance [ca.gov](https://www.ca.gov))

All in-person meetings will be outside, with masks on. Parents are asked to take their child's temperature and conduct a wellness check on their child before each and every meeting.

If you do not feel well, or have any symptoms that could be related to covid

such as sore throat, rash, fever, cough, stomachache or digestive problems or if you have had contact with anyone with covid, please attend on zoom only. If you have had any of the following symptoms in the past two weeks or have had contact in the past two weeks with anyone who has had these symptoms, please attend on zoom instead of in person; sore throat, rash, fever, cough.

- Physical distancing of at least six feet between households will be

maintained at all times. Upon arrival, each Parent/Student household will proceed directly to their designated space. You may bring lawn chairs, umbrellas,

shade structures, pillows, or anything that you would like to set up in your

designated area to make you more comfortable. Please bring hand sanitizer, a water bottle with your name on it, sunscreen and outdoor clothing appropriate to the weather.

- Upon arrival please park at least one space away from any other cars

that are unloading. Please do not approach other families except to say

hello from a distance. Please help us to minimize crossflow of people by going straight to your designated spot and getting settled there.

- We are a hugging congregation. However, please do not hug or kiss or touch anyone. It has been our experience that even hugging someone who does live in your house can start other people hugging. We love expressing affection but limiting touching will help make everyone feel comfortable.
