

## **VOTE!**

Election Day is November 6. We want all registered voters to vote. If you are not registered to vote by mail and cannot get to your polling place, TBE is offering you a ride. Please contact Rose Ashford at [rose@ashfields.net](mailto:rose@ashfields.net) or call (831) 661-5014 prior to Election Day to coordinate a ride.

## **NOTICE TO PEOPLE WHO HAVE YOUNG ADULTS IN COLLEGE**

If you are the parent of a young adult in college, please read this important message about voting rights for college students and pass it on to your kids and their friends. College students may register either in their home district or in the district in which they attend school. Therefore we hope that our college students will assess their options and register in the district in which their vote will make the greatest impact.

The deadline for registering to vote in California for the November 6 election is October 22 (postmarked or submitted electronically; the deadline might be different in other states). For details on registration and to request a vote-by-mail ballot, visit the web site of the California Secretary of State at <https://www.sos.ca.gov/elections/voter-registration/>.

Secondly, please inform your college students that voters registered in California can turn in a vote-by-mail ballot at any polling station in this state—the completed ballot will be forwarded to the district in which the person is registered.

Thank you for helping our college students exercise one of the most important rights that we as Americans are privileged to enjoy.
