In approximately .5 mile turn left on to Ridge Road.
Continue for 5 miles to Crossover Road.
Turn left and continue to West Street.
Liberty Orchard is on the corner of Crossover Road and West Street.

Instructions

IMPORTANT COVID-19 NOTE

- * Don't sign up or come if you are sick or have come in contact with anyone that is sick with Covid-19
- * Don't sign up or come if you are at particularly high risk or live with someone that is of particular high risk.
- * Don't sign up or come if you have traveled in the last 14 days (or 7 days with a negative test).

Please wash hands before you come and expect to do so again or use sanitizer when you arrive. We will be practicing physical distancing while gleaning and all will be asked to wear cloth face coverings. Please BRING your own cloth face cover.
We will have sanitized gloves on hand for situations that require them or those that wish to use them in addition to proper hand hygiene. Please DO NOT bring your own gloves.

Please work with us as we all learn together how to do our normal work in new ways.

With that in mind if you have time before coming to glean (or before the next glean) please take the VOSHA COVID-19 training, by reading this document.
https://labor.vermont.gov/sites/labor/files/doc_library/Protecting%20the%20Safety%20and%20Health%20of%20Workers%20VOSHA%20COV
It's mostly intended for employees and its not clear if its also required for volunteers, but it would be best practice if all who glean with us, in particular those on a regular basis, take some time to read it.

GENERAL INSTRUCTIONS

- All gleans are rain or shine - unless there are big T-storms or very heavy rain. We will contact RSVP's if we cancel.
- Most gleans last 2 hours unless otherwise noted. It's hard to know exactly how long we will glean. If you need to leave early that is fine.
- If you need to contact us in the field call 802-999-3881. However there may not be service at this orchard.
- Gleaners should park in the spot just off the road just before the entrance to the orchard.
- Please park and wait for Allison to arrive with more instructions for that day's glean.

----- What you might want to bring/wear or remember before coming to glean-----

- REQUIRED a Cloth Face Covering
- Sun screen and maybe a hat.
- Water and maybe snacks
- Clothes that are comfortable, can get dirty and are appropriate for any possible weather - layers are great!
- Shoes should be sturdy and supportive, closed toed are best. No flip flops and the like please.
- Please no clothes or shoes that are overly dirty with manure, compost etc.
- Please remember to USE THE BATHROOM BEFORE YOU COME as options are limited - woods/fields are not an option, but they may still have the porta potty's there.
- Please don't come if you are sick (other than a minor cold), as we are handling food.
- No smoking on the farms we glean at for food safety reasons, thanks.
