

Dear Friends;

*I've learned a new phrase from one of our treasured members it is " Kol Paseda." It means " All is Well " and I am happy to say that indeed all is well. As our beautiful synagogue shone during High Holiday Services so did our Rabbi and Cantor. I am and will remain more than proud and you have not held back on calling to say how meaningful the services were to you.*

*For this I thank you from the bottom of my heart*

*We are all ambassadors for Temple, for strangers and for each other. We are instructed to be constructive, caring and socially responsible. To see the humanity in others and to put the concerns of our fellow human beings first. And this is just what you do and who you are.*

*You are the dearest of congregations, the closest of communities, a true family and the most extraordinary people that I know. L'Shana Tova.*

*With My Love,  
Rita*
