TEMPLE SHOLOM
SISTERHOOD

Why Sisterhood? Join our warm, dynamic, caring group of women of all ages. We play together, learn together, and support each other. It's a great opportunity to meet new friends and become involved in the Temple Sholom community. We offer interesting and exciting activities and programs throughout the year.

What activities? Whatever you want...really...many of our activities are suggested by Sisterhood members themselves. Our activities have included brunches, book club, lectures, mahjong, trips. Present and future activities have to adapt to our current circumstances to protect the health of our members, yet expand our opportunities for contact and stimulation. Ironically, while we are offering activities via Zoom, we are enjoying increased participation by our members who are snowbirds. Currently, we have speakers lined up for us, and we look forward to resuming theater outings when it's safe to do so.
