Membership Spotlight 🔦

Nicole Barel & Michael Rochlin moved to Teaneck in September 2020, becoming one of the first 10 families to move into One500. They're excited to be back where they grew up, being almost exactly in the middle of their parents in Teaneck and Englewood. Mason is their very cute 2-year-old who can often be found running around getting into trouble and smiling like the mischief-maker he is, or telling you all the colors that he sees (this week's favorite is brown bear). Nicole is an Interior Designer, working on high-end residential developments and commercial projects. She visualizes spaces and understands how they affect all the people who use them. Michael is a Software Engineer / Product Manager at a startup. He spends his spare time reading about housing and transit policy and drinking 10 cans of seltzer a day. They spend most Sundays watching the Jets and Giants lose and obsessing about their fantasy football league (yes, Nicole has her own team and makes the semis every year).
