

KMS High Holidays Youth Appeal 5782/2021

Here at KMS, we are dedicated to providing meaningful, inspiring, and fun experiences for our youth. Whether teens or toddlers (or somewhere in between), our youth department is focused on ensuring that our community's children see our shul as central to their lives, just as their parents do. Under the leadership and guidance of Elisheva and Rabbi Levitt, we continue to grow and expand our Shabbat groups, teen-led Youth Minyan, learning programs, holiday programming, onegi Shabbat, and much more.

The size of our youth department continues to grow as well – new babies and new KMS families add many new children to our shul every year, including many new families who joined the community during the COVID pandemic. We are truly blessed by the size of the KMS Family. In order to continue providing the high level of programming our youth deserve we need your help. We all play a role in a successful youth department, and your financial support at this time of year is critical to ensuring that our children have the opportunities that have come to mean so much to them at our shul. As we continue to transition from the socially distant youth programming of the last year and a half back to in-person programming, your support is more important than ever. Thank you in advance for partnering with us to provide the best for our children.
