FAMILY CAMPING
ADVENTURE
AT HOME!!**

KMS Family Camping Night

Prepared by Rabbi Aaron and Elisheva Levitt
Kemp Mill Synagogue

Camping is an awesome way to have fun and do some great family bonding. If you have a tent set it up in the backyard (and if you are brave enough sleep in the tent). If not, you can set up an indoor tent in the living room using blankets and pillows and choose some of these fun activities to enjoy together. Post a photo of your family with the **#KMSFamilyCamping**. There will be a prize for the best photo! Then put away your phones and screens, get in your PJ's, and have fun!!!
