RABBI'S TRIP TO VISIT STUDENTS IN ISRAEL

Thanks to the generosity of a KMS family and with the agreement of the KMS Board of Directors Rabbi Weinberg will be traveling to Israel in order to visit all of the KMS students studying or working in Israel for their gap year. The goal of the trip is to deepen his relationship with them and further their connection so that they will continue to see him as their rabbi and as a resource to turn to down the road as their orbits of life get wider.

We are also happy to report that Elana will be joining the rabbi this year on his visits. They will be travelling to Israel from Nov 26-Dec 3 visiting with individual students in their schools. Highlights of the trip also include a group gathering on the Thursday night for a unique activity and also shiurim that Rabbi Weinberg will deliver in various yeshivot and seminars including Midreshet Lindenbaum and Orayta.

We are excited to develop this program that will certainly enhance KMS.

GETTING TO KNOW YOU

In an effort to promote the warm community feeling we strive for here at KMS, we introduce you to KMS members each week. We hope you enjoy meeting your fellow members and will use these brief bios as a catalyst to introduce yourself to others at KMS.

DENA & YEHUDA KRANZLER

Yehuda and Dena Kranzler are originally from the New York/New Jersey area and lived in Boca Raton, Florida for the last 6 years. They moved to Kemp Mill this summer with their children Akiva, age 9, Shalhevet age 6 and Yonatan who is 10 months old. Dena is a structural engineer and Yehuda is a clinical social worker. The Kranzler family enjoys playing pick-up sports in their front yard, going on day trips to D.C. and Baltimore and finding fun family activities to do on the weekends. When asked what they

loved most about KMS they replied "we love the warm and friendly community and the amazing Rabbi."

SARAH & JON SICHERMAN

Jon and Sarah Sicherman live in Kemp Mill Forest with their three children, Shimmy (8), Kayla (5), and Haddie (3). While Sarah is a Philadelphia native, Jon was born in Silver Spring (his claim to fame being the first Jewish baby in Kemp Mill Forest!), and then moved to Philadelphia when he was 9. The family's love for Philadelphia sports runs deep, but they won't say anything more at risk of jinxing a certain football team's season. Jon has a super secret job at the Department of Defense. He would probably love to talk to you about it, but he can't. Sarah is the Managing Director of Ignite Digital Strategy, specializing in marketing campaigns for non-profits. They have lived in Kemp Mill since 2008 and have been attending KMS since 2015. They love the close-knit feel of the community and that everyone looks out for one another.
