

WELCOME TO OUR MIT PROGRAM!

MIT is an acronym for "Madrachim (counselors) in Training". The program is open to those entering 8th and 9th grades. It is the perfect opportunity to do something meaningful this summer and still have loads of fun!

The MIT program is designed to provide leadership opportunities that prepare teens to become staff members at Camp Keshet after completing 9th grade. By the end of this unique camping experience, your child will gain leadership skills that they can use to make a difference in their schools, shuls and community.

When you join the MIT family, your young teen will enjoy a fantastic summer filled with great friends, encouraging and supportive staff, comfortable traditions, and exciting challenges, all within the framework of Jewish middot.

MIT AT CAMP KESHET

LEADERSHIP SKILLS AND DEVELOPMENT & A FUN SUMMER EXPERIENCE

WHAT'S INCLUDED?

During each week our MITs will work alongside their bunk's junior and senior counselors. Through this internship, they will learn first hand all aspects of a counselor's job at camp, participation in service projects, be part of our training sessions, attain both communication and leadership skills, and community service.

Of course MIT campers get the opportunity to swim, participate in sports clinics, take great trips and do some creative arts projects, but the focus of the MIT is building your young teen's leadership skills and his or her understanding of working with younger children and being their role model.

MITs accompany our TLC campers on their recreational trips once each week. In addition to the weekly trips, MITs will join our TLC campers on our "BIG" trip which takes place once each session. We are excited to announce that this year, once again, our MITs and TLCers will return to ClubGetaway, for their overnight trip.

RATES & DATES

Session One: Monday, June 22* - Friday, July 17
