

WELCOME TO TLC!

TLC is an acronym for Camp Keshet's Tween/Teen Leadership and Chesed Program and it is open to those entering 5th through 8th grades. It is the perfect opportunity to do something meaningful this summer and still have loads of fun!

TLC focuses on leadership skills and chesed work. Of course campers get the opportunity to swim, participate in sports clinics, take great trips and do some creative arts projects, but the focus at TLC is building your young teen's leadership skills and his or her understanding of the importance of chesed in our community.

Campers enrolled in the TLC program will address different issues each week as they work to better their communities. Participants will engage in text study, hear interactive presentations from in-field experts, engage in field work and participate in weekly leadership seminars and weekly reflections.

After completing this unique camping experience, your child will be uniquely qualified to become leaders at their schools and shuls and to make a difference in their community.

When you join the TLC family, your young teen will enjoy a fantastic summer filled with great friends, encouraging and supportive staff, comfortable traditions, and exciting challenges, all within the framework of Jewish middot.

TLC AT CAMP KESHET

A FUN & MEANINGFUL SUMMER EXPERIENCE
FOR THOSE ENTERING 5TH THROUGH 8TH GRADES

WHAT'S INCLUDED?

Each week is focused on a different issue at TLC. During each week, campers will engage in text study, hear from experts in the field, participate in interactive programs to broaden their perspectives, take part in field work and much more.

We are excited that once again we will enjoy our overnight at Club Getaway. TLCers will also enjoy an exciting trip for the second half. These trips are in addition to the many local chesed and recreational outings TLC does throughout the week. The program uses NJ as it's campground!

And of course, TLC campers will have the chance to swim, play sports, get crafty and more traditional summer fun!

TLC counselors are college students and adults who have specially trained to ensure your young teen is able to process weighty issues and have a great summer!
