VOLUNTEER SHABBOS SECURITY SHIFT

Thank you to the following households for stepping up to take a shift for security in recent weeks: **Haft**, **Warner**, **and Lesch**.

Members will be assigned periodic shifts which will support law enforcement in safeguarding our Shul on Shabbos mornings. Greeting people as they enter our campus accomplishes the following security goals: a) Creates a visible deterence, b) Monitors for unusual behavior in a way a non-member can't, and c) Enables communication across campus in case of emergency. Our shul's leadership encourages full participation in these shifts from all who are able.

MAZEL TOV!
