## ATAH HARAISAH & MITZVAH AUCTION

“**Atah Haraisah**” Honors are a unique opportunity available on Simchas Torah to lead the introductory verses before Hakafof. The verses preceding **nighttime** hakafof are available for purchase for \$180 each (several available, see Rabbinic staff to select yours).

The verses preceding **daytime** hakafof are sold through the “**Mitzvah Auction.**” In previous years, this has proven to be a creative and inspiring part of our Simchas Torah celebration and adds to the kavod haTorah (honor of the Torah), which is the goal of Simchas Torah.

Winning Mitzvah auction bids are **specific and quantifiable, push the envelope** beyond what is typical for you, are **creative and inspiring**, and are **not limited to Torah study commitments**; they may include community service, Shabbos observances, initiatives in other areas of mitzvah observance, or supporting someone else in mitzvah observance.

*Please see Rabbi Feldman or the Hoshana Rabah (Monday) email to secure your Mitzvah auction bid.*
