## BJ Alcohol Policy

In view of ongoing challenges teenagers have in dealing with alcohol, and in view of confusing messages sent by synagogue communities when alcohol is used in religious settings, Congregation Beth Jacob sets forth its policy regarding alcohol:

1. No alcohol other than Kiddush wine shall be formally dispensed by the synagogue during synagogue festivities.
2. The law prohibits dispensing alcohol to minors. Adults who bring alcohol onto campus may not share any of this with minors.
3. Any persons who are perceived to be inebriated will be asked to leave by the synagogue administration as their presence creates an environment which is inappropriate and unsafe for the religious center of a community.
