This is the story of two brothers. Giora, the most talked about MIA of the Yom Kippur war, and Gili, who has been searching for him and for himself ever since. Fireflies is a film about three journeys. It is the story of a 12 year old boy, a 24 year old man and a 44 year old adult in search of answers. This is also the story of Giora, who will forever remain 19.
