

Here's what you asked for... and here's what we've done.

- Increase membership; particularly among youth and family segment
- * Implement annual fundraiser: Chaivana Gala honoring Rabbi and Joanne Luski and CBI's 95th Year
- * Rabbinic Succession planning and transition
- * Develop strong, optimistic, and professional leadership
- Establish a clear lay leadership succession plan with emphasis on young leaders
 - More young leaders, under age 35, then ever before
 - Board member's skill sets matched to volunteer assignments

- New members are joining "side by side" and staying ... This
 year was our biggest membership year with 24 new members
- Younger membership
- Members feeling connected = Retention

Mission Statement: Founded in 1923, Congregation B'nai Israel is a traditional Conservative egalitarian congregation. We welcome members and visitors alike and make it easy to participate in Jewish life. We know each other and provide support in times of celebration and grief. We share the joys of Jewish worship and learning with family, friends and community. From generation to generation, CBI leaves no one behind.
