

## YIZKOR MEMORIAL PRAYERS

*At a special point in the service, we recite the Yizkor prayers. It is a time when we recall those who were very dear to us.*

*We are preparing for our own mortality. We leave this world eventually and take nothing with us. The way we lead our lives leaves a lasting impression on our family and friends.*

*Our deeds of charity, justice, honesty and friendship can be passed on to those we leave behind, and these accomplishments make a positive difference in the generations that follow.*

---

*Throughout the Jewish Calendar year 5781  
Yizkor Memorial Prayers will be offered:*

**Yom Kippur.....Monday, September 28, 2020**  
**Shemini Atzeret.....Saturday, October 10, 2020**  
**Pesach.....Sunday, April 4, 2021**

## **MEMORIAL PRAYER FOR THE DEPARTED**

*Congregation B'nai Israel lovingly recalls members who passed away during 5780.*

*We pray this day that all who have sustained the loss of loved ones in the year gone by be granted comfort and strength.*

## **MAY THEIR MEMORY BE A BLESSING**

*Our tradition teaches us to honor the memory our departed loved ones during Yizkor services on the holiest day of the year, Yom Kippur, as well as Shemini Atzeret, Pesach and Shavuot.*

*At Congregation B'nai Israel, we embrace this tradition. Each year, our congregants submit the names of their loved ones for inclusion in our annual Book of Remembrance and honor their memories with charitable donations.*

*Free-will contributions were made in accordance with the hallowed Jewish tradition.*

## DEATH IS NOT THE ENEMY

I often feel that death is not the enemy of life, but its friend; for it is the knowledge that our years are limited which makes them so precious. It is the truth that time is but lent to us which makes us, at our best, look upon our years as a trust handed into our temporary keeping.

We are like children privileged to spend a day in a great park, a park filled with many gardens and playgrounds, and azure-tinted lakes and boats sailing upon tranquil waves.

True, the day allotted to each of us is not the same in length, in light, in beauty. Some children of earth are privileged to spend a long and sunlit day in the garden of the earth. For others, the day is shorter, cloudier, and dusk descends more quickly as in a winter's tale.

But whether our life is a long summery day or a shorter wintry afternoon, we know that inevitably there are storms and squalls which overcast even the bluest heaven and there are sunlit rays which pierce the darkest autumn sky. The day we are privileged to spend in the great park of life is not the same for all human beings; but there is enough beauty and joy and gaiety in the hours, if we but treasure them.

Then for each of us the moment comes when the great nurse, death, takes us by the hand and quietly says, "It is time to go home. Night is coming. It is your bedtime, child of earth. Come, you're tired. Lie down at last in the quiet nursery of nature and sleep. Sleep well. The day is gone. Stars shine in the canopy of eternity."

—Joshua Loth Liebman—

## **WE REMEMBER THEM**

At the rising of the sun and its going down,  
we remember them.

At the blowing of the wind and in the chill of winter,  
we remember them.

At the opening of the buds and in the rebirth of spring,  
we remember them.

At the blueness of the skies and in the warmth of summer,  
we remember them.

At the rustling of the leaves and in the beauty of autumn,  
we remember them.

At the beginning of the year and when it ends,  
we remember them.

As long as we live, they too will live;  
for they are now a part of us, as we remember them.

When we are weary and in need of strength,  
we remember them.

When we are lost and sick at heart,  
we remember them.

When we have joy we crave to share,  
we remember them.

When we have decisions that are difficult to make,  
we remember them.

When we have achievements that are based on theirs,  
we remember them.

As long as we live, they, too, will live;  
for they are now a part of us, as we remember them.

## **A SPECIAL PRAYER FOR THOSE NOT SAYING YIZKOR FOR PARENTS**

*The following prayer may be recited by worshippers who are blessed by having their parents still living while others are reciting Yizkor:*

ALMIGHTY GOD, while those who have lost their parents and their dear ones call to mind those who have gone to their eternal rest, I at this solemn moment raise my eyes unto You, the Giver of Life, and from a grateful heart thank You for Your mercies in having preserved the life of my beloved father and mother.

MAY it be Your will, Adonai my God and God of my ancestors, to bless them with health and strength, so that they may be with me for many years to come. Bless them even as they have blessed me, and guard them even as they have guarded me.

IN return for all their affection and the sacrifices, which they have made for me, may I bring them joy and lighten their cares. May it be my privilege to help them in every way that lies within my power; may I learn to understand and recognize the duty I owe unto them, that I may never have cause to reproach myself when it is too late.

SHIELD my home from all sorrow. May peace and harmony and Your spirit ever reign within its walls. Keep me true to You and to all with whom I come in contact so that I may do Your will with a perfect heart, my Creator in Heaven.

Amen

## THE MEASURE OF MAN

Not... "How did he die?" But ... "How did he live?"

Not... "What did he gain?" But... "What did he give?"

These are the units to measure the worth  
Of a man as a man, regardless of birth.

Not... "What was his station?" But... "Had he a  
heart?"

And... "How did he play his God-given part?"

Was he ever ready with a word of good cheer,  
To bring back a smile, to banish a tear?

Not... "What was his shrine?"

Nor... "What was his creed?"

But... "Had he befriended those really in need?"

Not... "What did the sketch in the newspaper say?"

But ... "How many were sorry when he passed  
away?"

## STARS

There are stars whose radiance  
is visible on earth  
though they have long been extinct.

There are people whose brilliance  
continues to light the world  
though they are no longer among the living.

These lights are particularly bright  
when the night is dark.  
They light the way for humankind.
