In Search of Beginnings

Saltwinds curving
from some distant place
the heart already knows
touch your face with wonder.

Delight in praise
of all good things,
and think it not strange
to hear music cresting

a slanted shore
or see a song flying
a foot above the waves.

In tidal pools
where ancient sea force
pours life's beginnings
into seed vessels scooped
from sand, find

all you wish to see,
and new breath rising
catch currents shaping
unseen the curve of the world.
