### [Security Committee Alert – Aug 3, 2013](#)

#### **Exit Doors**

For security purposes please exit the shul only through the **main entrance** and **never** through any other exit door. If you pass by an exit door always check to make sure it is locked. If not, slam it shut immediately and then inform security.

#### **Security Awareness: When should I alert our security team?**

**Always think security!** Our High Holiday season is a prime time for terrorist planning or activities. Terrorists visit targets and plan in advance. You should inform security if you notice someone photographing or filming the shul or taking notes outside: a sign of surveillance. If a stranger or a visitor asks you questions about our shul security do not answer and refer them to **Harvey Stein** or a **Team Leader**. Although security screens everyone who enters, if you see someone whom you feel "does not belong" please inform security. Don't hesitate. Do not approach the person yourself.

**Please join our committee!** Contact **Harvey Stein** at [security@lss.org](mailto:security@lss.org) or speak to our Team Leaders **Ian Silver**, **Martha Steinmetz**, **Ari Dubinsky** or **Lenny Davidman**.

**If you see something...say something. Act as if your life depends on it... because it does.**
