We are pleased to be using part of the Homeland Security grant to repair the main doors of the LSS facade. For various reasons the door operators and pivots were damaged and have failed to perform.

Completion is expected next week when the first door should have card key and handicapped access as well as remote operation. At that time the existing protective plywood enclosure will be removed. See next issue for more on grant money uses.

Note the caulking on the front sink just outside the main sanctuary has failed. Please do not send water from whatever source down the sink until the "do not use signs" are removed .

Be a D'var Torah Writer for the Coming Year!

What is a D'var Torah? It is your expression of something special in the Torah that speaks to you and resonates with others. It could be a call to action, and usually includes a practical lesson with a strong central idea. A good D'var Torah can be a provocative springboard for Shabbat table conversation. On a personal level, a good D'var Torah can spark self reflection that will either affirm one's values and direction, motivate positive personal change, or both!

For the community, a D'var Torah is a chance to learn more about the Parsha and also an opportunity to get to know the writer, your fellow congregant, better.

So, you're invited to become one of our esteemed D'var Torah writers for the weekly Echod for 5776-5777! We can reserve the parsha of your choosing for you only on a first-come-first-served basis. If you have been assigned your requested parsha, you must email echod@lss.org by the Tuesday of the week of your parsha, no later than 5:00pm. For more info and to enroll, email this year's coordinator, Bill Greenbaum, at dvarLSS@gmail.com, or call the shul office, 212-874-6100, and leave a message for Bill.

Last Chance to be a part of our Torah Campaign!

The Torah is the cornerstone of our religion. It has united and sustained our people throughout the generations.

As many of you know, Lincoln Square Synagogue, has the unique opportunity to participate in the mitzvah of writing a Sefer Torah that will belong to the congregation. Each time this Sefer Torah is brought out of the Aron Kodesh, it will represent the rejuvenation of our community, and our coming together to participate in this special obligation.

What many of you may not know is that this Torah will be only the second Torah in the shul that will be owned by the congregation! When unowned Torah's are requested back for various reasons, by their owners, it places Lincoln Square Synagogue in a precarious position. Our Torah Campaign is an exciting opportunity to secure the continuity of our congregation from generation to generation.

There are 54 parshiot in the Torah and 378 aliyot. We are asking our community to get involved by dedicating an aliyah for \$360 or a parsha for \$2,400.

We anticipate our new Sefer Torah arriving after the chagim, so please think about the parsha or the aliyah that speaks to you. You can also donate to this campaign in someone's honor or for a loved one's yartzheit. The day we have our Hachnasat Sefer Torah will be a joyous day for all-as we dance our way to the Aron Kodesh, take pride in knowing you had your hand in making this meaningful campaign come to fruition.

Don't miss out on a chance to be part of this wonderful Mitzvah!

Please visit lss.org/torah today to make your donation and notate which parsha or aliyah you have purchased.
