Todah Rabah

Erev Tisha B'Av the LSS Israel Action Committee issued a community appeal for donations for the Sheba Medical Center at Tel Hashomer. The response of the community has been overwhelming. So far, over \$14,000 has been collected! Where does the money go? Here is a recent press release from the Medical Center:

"The Sheba Medical Center at Tel Hashomer has now treated over 100 Israel Defense Forces soldiers who were wounded on the battlefields in Gaza. Fifty soldiers are still hospitalized at Sheba, half of whom have moved from our acute care hospital into our rehabilitation hospital. We are expecting the influx of many additional soldiers for rehabilitation, from other hospitals around the country. Among the wounds are a significant number of complicated hand injuries. Our orthopedic hand surgeons, led by our world-famous hand surgeon Dr. Batya Yaffe, have performed multiple sophisticated surgeries, involving delicate vascular and muscle reconstructions."

For those who have not yet contributed and would like to do so, please use the link below to make your donation and be sure to mention Lincoln Square Synagogue in the Comments box. We also encourage you to share the link with friends and family outside the LSS community.

<http://shebamedical.org/giving> Please keep in mind that the long road of rehabilitation for many of the wounded IDF soldiers is just beginning.

LSS Mission to Israel

Thank you to the over 100 members of the shul who participated in the survey to gauge reaction to a possible LSS mission to Israel. The survey responses will be very helpful in helping us decide whether to run this mission and, if so, what kinds of activities to include which will have the greatest appeal to our members. We should have an announcement regarding this mission in the next couple of weeks.

Members Needed

The newly formed Israel Action Committee is looking for new members, especially young professionals. We are especially looking for people with skills in the use of social media. You love Israel and would like to help her during this time of need. Here is your chance. Please email Ann Crane (Chair of the Committee) at anncrane2750@gmail.com to learn of upcoming meetings.

Senior Hamas Official Says Group Abducted Israeli Teens

A top Hamas official said members of his militant group kidnapped three Israeli teenagers whose deaths in June provoked a spiral of violence that led to the war in Gaza, the first acknowledgement of the movement's involvement. Hamas has up to now refused to confirm or deny Israeli accusations that it masterminded the abduction and killing of the three young men, one of them a joint U.S.-Israeli citizen, in Hebron. Speaking at a conference in Istanbul, Saleh al-Aroui, a Hamas official from the West Bank who lives in exile in Turkey, appeared to confirm Israeli allegations that the Islamist group was behind the teenagers' abduction. "The popular will was exercised throughout our occupied land, and culminated in the heroic operation by the Qassam Brigades in imprisoning the three settlers in Hebron," he said, referring to Hamas's armed wing. Israel said a third suspect arrested by its security forces admitted under interrogation to organizing the kidnapping with funds from Hamas in Gaza.

Our synagogue partners with AIPAC, America's pro-Israel lobby, in educating our community on issues affecting the U.S.-Israel relationship. We encourage you to learn more by contacting AIPAC at (202) 639-5200 or by visiting www.aipac.org.

Voice your objection to the Metropolitan Opera's presentation of "The Death of Klinghoffer."

Starting on October 20th, the Metropolitan Opera will stage eight presentations of the controversial opera, "The Death of Klinghoffer." The opera has been widely denounced as justifying the Palestinian terrorists who hijacked the Achille Lauro cruise ship in 1985, murdered disabled veteran Leon Klinghoffer only because he was Jewish, and dumped him and his wheelchair overboard. Klinghoffer's two daughters have joined the denunciations. If you believe that in a world filled with kidnappings, terrorism and atrocities Leon Klinghoffer's murderers should not be romanticized, we urge you to e-mail your feelings to Met general manager Peter Gelb at pgelb@metopera.org. The Torah teaches us, "*lo ta'amod al dam re'eahca*" -- "do not stand idly by your brother's blood."

The Lea Segre Tomchei Shabbos Fund discreetly distributes thousands of dollars to our own community members to defray the costs of Shabbat and Yom Tov meals and clothing. Help yourself and your neighbors by sending your contributions, earmarked for LSTSF to the LSS office. If you are aware of any LSS community member (including yourself) who could benefit from a Shabbat meal, please let us know by contacting the LSS office or by confidential email to rabbi@lss.org.
