

PSJC Membership 5780/2019-2020 Dues Structure

PSJC bases membership on a system of dues that provides for members to contribute according to their means. It is a foundational principle of our community that financial constraints are never a barrier to PSJC membership.

We appreciate your pledge of membership dues, which provide the foundation for our community and our programming. We will recognize members who donate at the Supporting, Sustaining, and Builder levels, if they so choose. All membership levels include High Holy Day tickets for adult members and children up to age 23.
