Membership dues are payable via the shul website, www.khalchasidim.org, or by completing the form below. If one finds it financially difficult to pay membership dues, please see the Rov, shlita. No one will be denied a seat regardless of their financial situation.

Based on the foundation of Achdus upon which our shul is built, please be aware that buying a seat does not entitle one to ask someone else to leave their seat. It only entitles one to their seat if one gets there first and it entitles one the Mitzvah of Hachnosas Orchim by allowing someone else to use their seat. However, the Gabaim will do their utmost to see to it that guests do not sit in designated seats.
