130th YAHRZEIT OF RAV SAMSON RAPHAEL HIRSCH

27 Teves, which this year fell out on Friday, the 4th of January, marked the 130th Yahrzeit of Rav Samson Raphael Hirsch. As is well known, Rav Hirsch did more for the preservation and revival of Torah learning and Torah living in Germany than one could reasonably have expected of one man in one lifetime. The Frankfurt Kehilla which he established under the principles of *Austritt* and strict adherence to Halocho became a model Kehilla. With the equally extraordinary efforts of his grandson, Rav Joseph Breuer, this Kehilla and Yeshiva were reestablished on these shores after the Nazi Churban. The great opus of Rav Hirsch's writings continues to illuminate the Torah for us, for the children educated in our Mosdos, and for the wider Torah world, where the newly re-translated Hirsch Chumash was received with much enthusiasm.
