During our recent trip to Israel, I had the opportunity to volunteer with this worthy organization. **Eshet Chayal supports families of soldiers with cooked food during the week.** We packed food according to the individual family's needs and it was then delivered to neighborhoods in Jerusalem, Tel Aviv and Beit Shemesh. It's a small organization run by a staff who do Kiruv work on the Tel Aviv University campus. You can help and donate using the accompanying link. - **Sarah Genack**
