The Chesed organization that two young Yeshiva high school students from Teaneck, Eitan and Elad Shushan, started a few months ago, is in need of more volunteers who can drive people who receive dialysis. This is not a commitment but simply something you can do when you have the time or opportunity once a week, once in a while, anything! Please consider signing up and/or spreading the word for those that can assist. Unfortunately, we have another patient who is in need of this Chesed. If you have any questions, please private message me. Thank you so much, and Tizku l'mitzvot! Click on this link to sign up and for more information: <http://freedialysisrides.com>.
