Dear Parent,

If you are applying for Financial Aid, please follow the steps below:

1) Registration Form: complete at www.ASHAR.org/registration. Fill in online, print & sign or sign digitally and submit to the Business Office.

2) Deposit: a tuition deposit / down payment of \$750 per child is due with registration (thru FACTS):

• **Current Parent** (already enrolled with FACTS): please pay by check in the office. The new student(s) will be added to FACTS by the school.

• **New Parent:** Enroll with FACTS (at www.ASHAR.org/FACTS); FACTS will debit the deposit of \$750/child deposit.

Without completing this step, your Financial Aid application will not be considered!

3) FACTS Application: log in to your FACTS account and click on "Apply for Grant & Aid" to complete the financial aid application. You will need to upload to FACTS your most recent tax return (1040), including all schedules and W-2 forms from all employers for previous tax year, along with all business tax returns for any parent with ownership interests in a business (form 1065 K-1, 1120S K-1, Form 1041 K-1). If on extension, please provide a signed copy of the extension, AND the relevant W-2's, 1099's, and all pertinent tax information available, AND the previous year's federal tax return. Incomplete Financial Aid applications will not be accepted. All applications received on or before the deadline will be reviewed. An application submitted after the deadline will not be considered, and consequently the applicant will not receive any financial aid. Please be aware that any previous financial arrangement has no bearing on the Financial Aid package which may be offered to you for this school year or any subsequent year. You must reapply for Financial Aid each year.

Thank you,

ASHAR Business Office
