How to Draw a Pyramid

Dress up your LEGO minifigures for leaving Egypt!

Leaving Egypt Sunglasses (pgs 18-20)

On Pesach we need to feel as though we too actually left Egypt!

If you were in Egypt, what would you see?

In the sunglasses draw a scene from that time

Color in the boy or girl face

Cut out the glasses and paste them on the face

Create a Makot Flipbook Ball (pgs 21-22)

Color the Makot images

Cut out the circles

Line up the circles in Makot order

Fold each circle in half- along the equator

Glue the reverse side *bottom half* of Dam (blood).

Attach to the reverse side top half of Tzfardayah (frogs)

Glue the reverse side bottom half of Tzfardayah (frogs)

Attach to the reverse side top half of Kinim (lice)

Continue until all the circles are attached... the last circle will
connect to the first circle
