"Rosh Chodesh Adar"

"Mishenichnas Adar Marbim B'Simcha!" On Monday, we gathered together for our Rosh Chodesh Adar assembly and "Simcha" was had by all! The celebration began with Morah singing, "When I think of Purim, I think of fun!" and all the children joined in merrily. Several children dressed up and helped us act out the song. <https://youtu.be/tbq3LqqXWnM>

Once everyone was ready, the Morahs stood up with the Chodesh cards.

Our Morahs held the Chodesh cards, but OH NO! They were all mixed up! V'nahaphoch Hu! Watch the video and see what happened next:

We then sang goodbye to Shevat and hello to Adar.

"Yom Huledet Sameach!"

Happy Birthday to our Adar birthday children

Birthday Dancing
&
Birthday Claps!

We woke up Mitzvah Man and were so excited when we saw him all dressed for Purim.

Mitzvah Man told us he was so excited about Purim and couldn't wait to do all the "MEM" Mitzvot of Purim! The children named the 4 "MEM" Mitzvot and came up to show them to the rest of the children.

We then found a new Mitzvah in Mitzvah Man's house, *Ivdu Et Hashem B'Simcha*. We know that when we do Hashem's Mitzvot we should have a smile on our faces and happiness in our hearts. That's what we will do!

"Mazel Tov"

Mazel Tov to Eli Sorotzkin on becoming a BIG brother!

Mazel Tov to Mr. and Mrs. Sorotzkin on the birth of a beautiful baby girl.

We wish you much nachas from your newest addition!

"Kids' Quotes"

We asked the children, "What was your favorite part of the Rosh Chodesh assembly?"
Here are some of their answers:

I liked how Morah Jackie looked with funny glasses and a funny nose.

I liked when Mitzvah Man dressed up like a clown. It was funny.

I liked laughing when I saw Mitzvah Man and he was dressed like a clown.

I liked when the Morahs were silly and they turned their signs upside down.

I liked the birthday dance. I got to dance and smile.

I liked getting to come up and wear a mask.

We then joined the rest of the school and participated in Spirit Day. Mrs. Debby Jacobson organized exciting activities for the children. We watched a video about Simcha and laughed along, we made fish out of envelopes, and created fish swimming in the ocean with graham crackers, YUM! Thank you Mrs. Jacobson for all the Adar fun!
