filled with jelly from a can.

Three dreidels spinning fast  
watching to see which falls last.

Four jugs of oil drip on the floor  
while one more jug waits by the door.

Five latkes on the plate  
tempt eaters not to hesitate.

6

Six presents neatly stacked  
sit and wait to be unpacked.

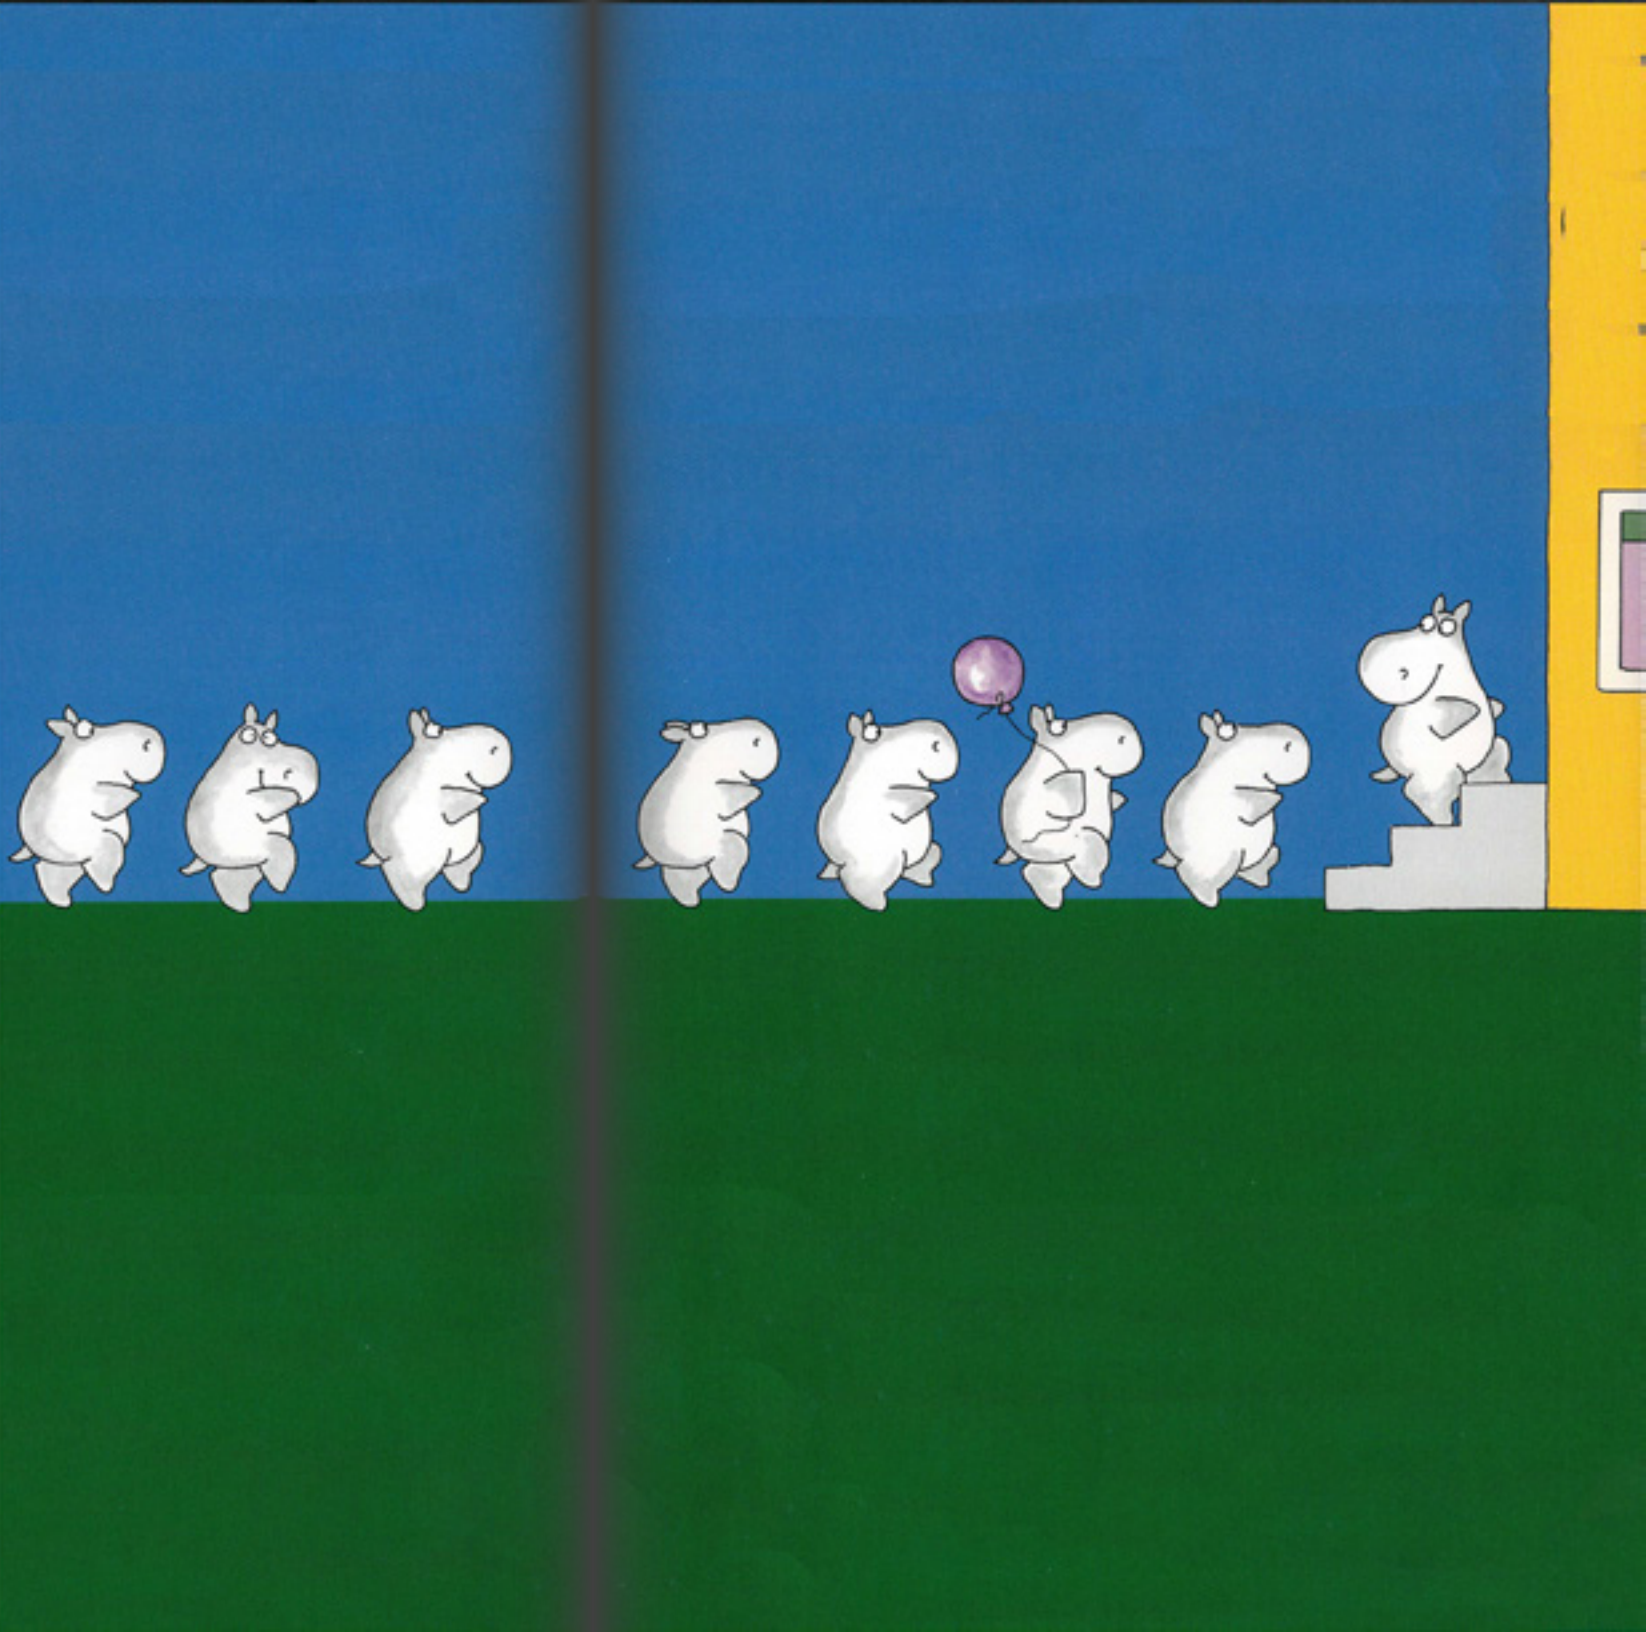

Seven menorahs burning bright

shine and sparkle through the night.

Eight days and nights  
candles light the room.

## CHANUKAH PARTY

## IN FULL BLOOM!

8

After eight full nights and days of fun,

Chanukah waves goodbye to everyone.

Seven menorahs lit on the sill

Hoping the oil doesn't spill.

6

Six presents given out  
When the kids see them, they start to shout.

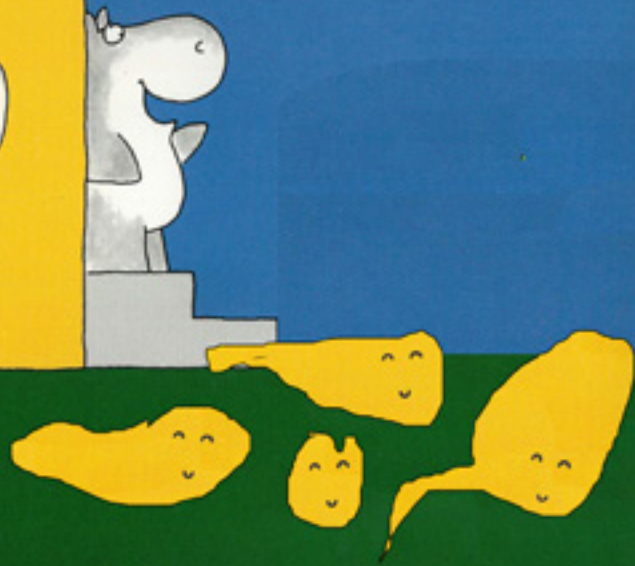

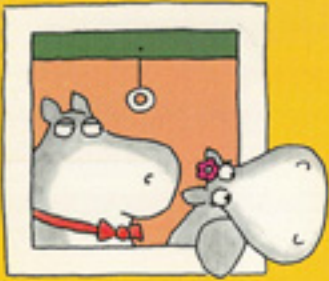

Five latkes in the belly  
Hanging out with doughnut jelly.

4

Four happy oil stains  
Make the parents start to complain.

3

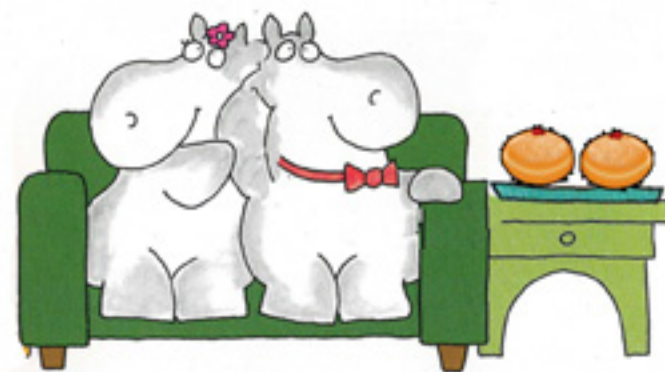

Three dreidels slowly spin  
Maybe next year you will win.

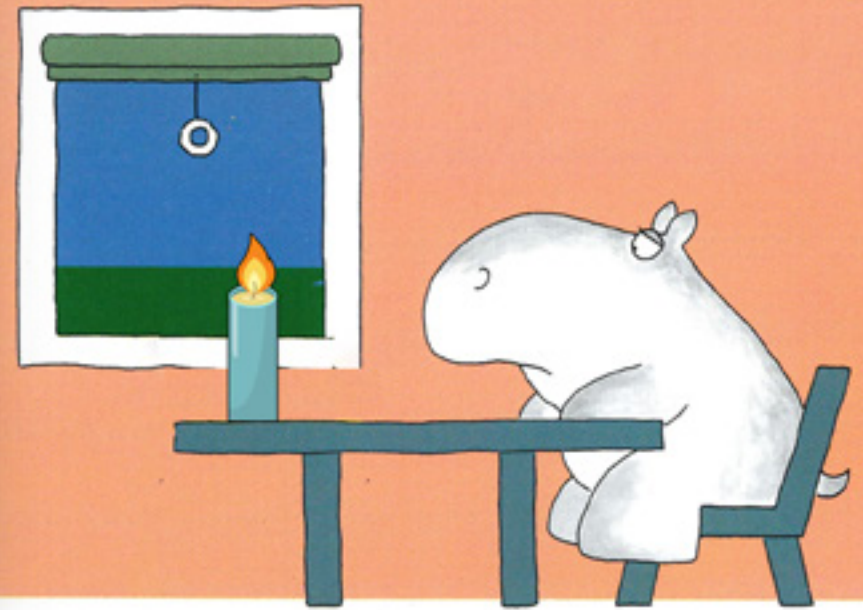

Two doughnuts still in reach

2

Two guests leave with one for each.

One candle left from the mess  
At least the party was the best.
