ANNUAL BANQUET

Milton & Eleanor Marder

Tzorchel Tzibbur Award

Doniel & Tzippi Goetz

Tzorchel Tzibbur Award

Dear Friends,

I want to begin by thanking our exceptional dinner committee, chaired by Aryeh Gross, Yanky Statman, Aviva Silber and Sarah Raskas. The annual dinner is a major event, requiring months of intense planning. This year was an even greater (beautiful) challenge as we have tried to increase the scope and reach of our dinner. Aryeh, Yanky, Aviva and Sarah have selflessly dedicated themselves to ensuring that tonight's event would be beautiful and meaningful. Thank you to Shira Pepper for designing the beautiful invitation and to Shira, Rachel Levitan and Judy Minkove for co-chairing the journal. Thank you to Juliya Sheynman, our Executive Director, who joined our Shul just a few weeks ago and jumped right in to ensure that tonight's event would be a great success. Thank you to Stephanie Rabinowitz for her incredible work in making sure that reservations and ads were received, entered and tracked. Thank you to all of the other volunteers who help our Shul in a myriad of different ways. Tonight's event reflects the dedication and commitment to our Kehilla and its sacred mission.

There are so many within our Kehilla who deserve to be recognized and honored. Each year we choose individuals who personify the middos, strengths and holiness of our Kehillah. Tonight we honor Mr. and Mrs. Milton and Eleanor Marder and Mr. and Mrs. Doniel and Tzippi Goetz. Each of our honorees has dedicated incredible time, effort and resources to our Shul and its membership. They have selflessly devoted themselves to making our Shul a holier, warmer and more accepting makom kadosh. We must always remember that so much of what we enjoy as a Kehilla is thanks to the efforts of tonight's honorees.

We find ourselves at an important juncture. We have witnessed the growth of our Shul in members, learning and holiness. The time has come for us to construct a physical space which reflects the vibrancy, vitality and excitement of our Kehilla. We continue our efforts to raise the funds for our Building Campaign and look forward to sharing the updated renderings and floor plans of our new building. We are building a beautiful Center for Jewish Life. The Building Campaign is a golden opportunity to get involved and help our Kehilla maximize its potential. Our new building will create a sacred space in which we can grow, daven and learn together. We hope and pray that our efforts will be blessed from Above.

I conclude by thanking all of you – our extended Shul family. Each of you contributes something special and unique to the fabric of our Kehilla. I hope that we will celebrate many personal and communal milestones in the years to come.

With much blessing and love,
Rabbi Shmuel Silber

We'd like to thank you all for joining us this evening at our Shul's 59th Annual Banquet.

We are grateful that so many of you can be here as we pay tribute to our honorees, stellar members of our Kehillah, who have made a tremendous impact.

Mr. and Mrs. Marder are pillars of our Shul; leading members who have offered their heart and dedication to Suburban Orthodox Congregation far longer than some of us have attended here.

Their commitment to our Kehillah is unmatched, and their reach extends beyond their peers to future generations. Every child in our Shul knows Mr. Marder and eagerly wishes him a Good Shabbos, in exchange for a smile and a candy.

Tzippi & Doniel Goetz have established themselves as one of the "go-to" couples at Suburban Orthodox. If there is a new mom or meals are needed, if there is a call night or project that needs efficiency, Tzippi is always there, graciously making time while attending graduate school and caring for her family. Doniel is a constant presence in the Shul, concerned and caring for our Kehilla as well as other organizations in the community, such as The Associated and Hebrew Free Loan Association.

Whether older or younger, the time and dedication that our honorees donate to our Shul, and our community at large, is truly appreciated by all, and deserving of our recognition.

Mr. & Mrs. Marder, Tzippi and Doniel, thank you for your love, commitment and devotion.

May HKBH continue to give you the strength to do so much for our Kehilla.

With deep gratitude,

Aryeh Gross

But then found their home in Baltimore

Taking on leadership roles and shul committees
Milt and Ellie made an impact on our Charm City

Shul president & board member,
Milt's shown he can

But it's his new role he loves most —

Milt's a regular for shiurim and Daf Yomi
But they still make sure their place is always homey

To welcome the beautiful family they've sown
