With deep gratitude and in recognition

LEGACY AWARD

Shirley Elbaum

and in recognition of Gerry Elbaum z'l

Meir & Sarah Raskas

Dovi & Atara Ziffer

Dear Friends,

Welcome to our 60th anniversary gala event. I want to begin by thanking all those who worked so hard to make this event meaningful, enjoyable and incredibly successful. Thank you to our event co-chairs, Adam Ben-Zev, Aryeh Gross, Aviva Silber and Yanky Statman. Thank you to our event committee, Eli and Judy Ben-Zev; Jacob and Julie Blumenfeld; Gavi and Rebecca Brown; Dovid and Blimie Ehrenfeld; Dovie and Nina Elman; Chana Friedman; Howie and Shevy Friedman; Doniel and Tzippi Goetz; Bennett Goldberg; Eric and Avital Schaffer; Menachem and Susie Schoenfeld; and Menachem Mendel and Pam Weissman. Thank you to our journal co-chairs, Rachel Levitan, Judy Minkove and Shira Pepper. An additional thank you to Shira Pepper for the beautifully designed invitation.

Our shul is a special place. We come together to daven, learn and grow. We have shared joyous and challenging times together. We have laughed, we have cried, we have danced and we have mourned — but it has always been together. Our Shul is made up of many different kinds of people, with various backgrounds and directions in life. But we are united in our desire to grow. We are committed to growth in our relationship with Hashem and our relationship with one another. This is our shul. This is our kehilla. Tonight gives us the opportunity to celebrate our wonderful accomplishments and give proper honor and recognition to those who have helped and given of themselves to our kehilla. Tonight, we recognize Mrs. Shirley Elbaum, Meir and Sarah Raskas and Dovi and Atara Ziffer. Each of our honorees has demonstrated a loving and dedicated commitment to our Shul and its members. We thank each of them for all they have done and hope that Hashem will give them the koach to continue to build and bolster our sacred kehilla.

continued on next page

I want to take this opportunity to thank our lay leadership. To the members of the Executive and General Boards, thank you for your leadership. May Hashem grant you the wisdom and clarity to help our shul move forward and grow stronger.

Thank you to our Executive Director, Juliya Sheynman. Juliya, although you have only been here a little over a year, you have made a dramatic impact, and we feel so fortunate to have you as a professional leader — and Leon and your beautiful children as part of our kehilla.

Thank you to Adina Schwarzbaum, our Office Manager, for always making sure that whatever needs to get done gets done. Thanks, too, for your professionalism and commitment. We feel additionally privileged that you and Meir have become part of the shul (together with your beautiful children). We look forward to many years of growth together.

Thank you to all our volunteers, who take care of things, big and small. We often don't even know the time and effort you put in, but we are the beneficiaries of your labor of love, and we thank you.

To you, the special members of our kehilla — thank you. Each of you is so special to Aviva and me, and we truly cherish the relationships we have built with so many of you and look forward to ones we will build in the coming years.

Mazal tov to our honorees; Mazal tov to our kehilla.

Kol Tuv,

Rabbi Shmuel Silber

Dear Guests,

We are grateful that so many of you can be here to celebrate SOTC's 60th anniversary and the incredibly deserving honorees.

All of them have made a tremendous impact on our kehilla.

Mrs. Shirley Elbaum first joined Suburban with her husband Gerry, z'l, and their three boys at a time when there were few young families at Suburban. Mrs. Elbaum dedicated herself to many Jewish causes while working. Together, they instilled a sense of responsibility and Jewish pride and belonging in their children. Though their sons Shaan and Judah live out of town, Avron served as treasurer of the Shul for many years and has raised his own kids here with Galya; reuniting the family at Suburban simchas. Shirley and Gerry's legacy will live on for generations to come.

Meir and Sarah Raskas have grown their own family here while giving countless hours of service. Meir served as President at a time our Shul was greatly evolving and has helped shape the kehilla that we see thriving today. Sarah has devoted her time to projects with vigor and passion: running the Shul office, leading the annual banquet for years, and now, as Sisterhood co-chair, reinvigorating women's programming and connections in the kehilla. They both continue to be sounding boards and partners in our growth.

Dovi and Atara Ziffer represent a group of devoted investors in our kehilla that live beyond a Shabbos walk away, and yet they are regularly here for davening, shiurim and family events. An active part of the daily Daf, the fundraising committee and founder of the Baltimore Chesed League, housed at SOTC, Dovi stretches his time to help Suburban grow. With Atara's unwavering support and encouragement, Dovi takes on challenging roles, fundraising for critical organizations in our community that partner with Suburban.

This year's honorees demonstrate a continuum of growth in the Shul. From a weekly shiur to an active role on the board, from a few volunteer hours in the office to building a life and legacy in the Shul, their devotion and investment in our beloved kehilla are inspiring to us all. We offer tremendous gratitude for their humble dedicated approach, their selflessness and generosity.

PLATINUM

We feel truly privileged to be part of such a warm, embracing and growing kehilla. We take this opportunity to give special thanks to this year's honorees.

Mrs. Shirley Elbaum

Shirley, you are a remarkable woman with incredible strength, poise and simchas ha'chaim. The family that you and Gerry z'l, have built is a testament to your commitment to Hashem and His Torah.

You lead by example in every way and we feel privileged to follow. Our kehilla still feels the void of Gerry's absence but we hope that our tefillos, talmud Torah and intense simcha provide an aliyah for his neshoma.

Meir and Sarah Raskas

Meir and Sarah, we have known you for years. We have watched you build your mishpacha and life together. You are remarkable people, each in your own way.

Sarah, you are always willing to help, no matter what the need or cause. Meir, you helped lead the Shul with strength and commitment and helped to put us on the course we are on today. We feel privileged to have you in our lives and part of our extended mishpacha.

Dovi and Atara Ziffer

Dovi and Atara, we only wish you lived closer! Your presence in our shul has brought such an energy of chesed and selflessness. We have learned and grown together and feel so fortunate to have you as part our family.

Thank you for all you do for our shul and great community.

We want to thank the banquet co-chairs, Aryeh Gross, Adam Ben-Zev and Yanky Statman. Without your dedication and vision, this event and incredible evening would have never come together.

A very special thank you to our Executive Director, Juliya Sheynman. Thank you for all you do (even on maternity leave) to make our shul vibrant, warm, welcoming and holy.

We thank all of you—our dedicated kehilla—for playing such a pivotal and important role in our lives. Our relationships with all of you have enriched our family beyond description. May we be privileged to experience many years of growth together.
