Dear Members and Friends,

As Yom Kippur quickly approaches, we are writing to you regarding our annual Yom Kippur appeal. We will continue our tradition of a silent Yom Kippur appeal to maintain the dignity of our Yom Kippur davening.

As always, we are relying on your support! We are proud that our Shul continues to serve our community despite the challenges of the pandemic. Our Shul's operations are primarily supported through annual dues, the annual dinner (this year, a very successful brunch) and the Yom Kippur appeal. The success of this Yom Kippur appeal will directly impact our cash flow for the entire year.

It is important that, even if you will not personally be in attendance on Yom Kippur, you respond charitably. Your generous gift will help ensure that we can continue to provide the services and programming that we all want and need from our Shul.

Donations should be made on our shul website: yiftlee.org/event/yom-kippur-appeal1.html.

We will list all donors on a scroll which will be emailed to the Shul. **Donation amounts will not be published.**

May you and your family always be blessed to support charitable causes and may we celebrate many happy occasions together. *Ketivah V'chatimah Tovah.*
