Parshah Summary (Beha'alotcha—Bamidbar/Numbers 8-12 pg 774)

In the *Sidrah* Aaron is commanded to raise light in the lamps of the menorah and the tribe of Levi is initiated into the service in the Sanctuary.

A “Second Passover” is instituted in response to the petition “Why should we be deprived?” by a group of Jews who were unable to bring the Passover offering in its appointed time because they were ritually impure. G-d instructs Moses on the procedures for Israel’s journeys and encampments in the desert and the people journey in formation from Mount Sinai, where they had been camped for nearly a year.

The people are dissatisfied with their “bread from heaven” (the manna) and demand that Moses supply them with meat. Moses appoints 70 elders, to whom he imparts of his spirit, to assist him in the burden of governing the people. Miriam speaks negatively of Moses and is punished with leprosy; Moses prays for her healing and the entire community waits seven days for her recovery.

In Today’s Haftarah (Zechariah 2:24 - 4:7 pg 1182)

In the *Haftarah*, the Prophet Zechariah was among the Hebrew exiles to return to Zion when Cyrus the Great issued his decree of restoration in 537 B.C.E. Enthusiastic when they returned to their land, the people were soon disappointed. Enemy neighbors in Palestine made it difficult for them to lead a peaceful life and to rebuild the Temple in Jerusalem. The prophets Zechariah and Haggai begin to offer encouragement and hope to their fellow Hebrews to be strong in their faith in G-d. It was He Who had ordained their return to the Holy Land and He would enable them to rebuild the Temple and renew the priesthood.

The Prophet Zechariah’s messages were brought by him to the people chiefly in the form of powerful visions.

The link between the *Haftarah* and the *Sidrah* is Zechariah’s vision of the seven-branched Menorah spoken of in the *Sidrah*.
