## Upcoming Events @ BMH-BJ

**Women's Interfaith Group (WIG)**, Monday October 9, 7:00—9:00 pm with Marilyn Kopelman

*Since its formation nearly 30 years ago as a brain-child of Dr. Rabbi Stanley Wagner, this group has been meeting regularly. Currently housed at the BMH-BJ Synagogue, its former homes include Regis University, the Iliff School of Theology and the University of Denver's Center for Judaic Studies. Discussions range from intimate to erudite and are always interesting within this heterogeneous group consisting of laypeople, clergy, teachers, professors, nuns, scholars, artists, writers and others. Guest speakers have included a retired official from the Library of Congress (Washington, D.C.), the Past President of the Iliff School of Theology, Jewish, Buddhist, and Muslim leaders and practitioners, as well as members of Colorado Governors ad hoc committees. Years of learning together have resulted in unparalleled friendships and understanding of the differences that make us all so unique and yet dependent upon one another for enrichment.*

*BMH-BJ members and friends are invited to attend the next meeting when the topic will be "Mixing Medicine and Faith in South Sudan: Personal Experiences of Dr. Michaleen Richer". You may contact Marilyn Kopelman through [marilynsdesk@aol.com](mailto:marilynsdesk@aol.com) for more information.*
