

From Our Rabbi

Good morning! We have had our second week of Shabbat morning services and, again, it was so good to see everyone. At the same time, I would like to remind everyone of some very important procedures critical to our continuing to offer Shabbat services.

Everyone wishing to attend either of our services MUST sign up. This is for health and safety reasons. We need an attendance record just in case, God forbid, someone who was at the service has tested positive. We then can notify everyone else who was at the service. But that works only if people sign up before hand. So, if you plan to attend - and of course we would love to see you - please, please... sign up!

Please arrive at the start of services and plan to stay the entire time. Both of our services are designed to run 90 minutes. It is vitally important that they start on time so they can finish on time. It is important that there be a minyan at the start of the services.

Your cooperation with these - and the other protocols we have in place - will enable us to continue to daven together as a kehilla kedosha each Shabbat.

Warmly,

Rabbi Chaitovsky
