

From Our Rabbi

Good afternoon, everyone. Summertime and the living is easy...but not this summer, unfortunately. COVID seems to have thrown a wrench into everyone's summer plans.

This might make it a bit easier to relate to to the period of time on our calendar we are now observing - The Nine Days leading to Tisha B'Av, the Fast of Av, the darkest day of the year. The Nine Days and Tisha B'Av are also out of sync with what we percieve to be the lazy days of summer. Watch my [Touch of Torah](#) video to learn more.
